

# AMMO CHECKERS MULTIPLE CALIBERS - LYMAN HANDGUN AMMO CHECKER

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Lyman's Ammo Checkers check the quality and consistency of both reloaded rounds and purchased ammunition. A must for any auto shooter for easy and consistent feed. You can't afford misfeeds, so get the easiest "no-go" gauge available today! These Ammo Checkers are gauges that allow a reloader to quickly confirm that their ammunition will fit in their chamber. Machined from solid blocks of 6061 T6 aircraft grade aluminum and cut with custom tooling to SAAMI minimum chamber dimensions. Ammo Checkers are available in three designs covering most common handgun and rifle calibers. One gauge will work with a variety of calibers. Just drop your loaded rounds in the ammo checker, and if the round fits into the gauge, it will fit in the gun's chamber. Each caliber is clearly engraved on the gauge. Bright orange anodizing makes them easy to find on your reloading bench. Upgrade your reloading area today with Lyman's Ammo Checkers and begin saving. Handgun Gauge - 380 Auto, 9mm Luger, 38 Super, 40 S&W, 45 ACP, 38 Special/357 Magnum, 44 Magnum/Special, and 45 Long Colt Small Rifle Gauge - 204 Ruger, 22 Hornet, 223 Remington, 22-250 Remington, 300 AAC Blackout, and 7.62x39mm Large Rifle Gauge - 243 Winchester, 270 Winchester, 30-30 Winchester, 308 Winchester, 30-06, 300 WSM

# Lyman Handgun Ammo Checker Safety Instructions

## Introduction

Thank you for choosing the Lyman Handgun Ammo Checker. This product is designed to help ensure the quality and consistency of your ammunition, allowing for safe and reliable performance. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

## General Safety Guidelines

- Ensure that the Ammo Checker is used in a welllit area to avoid any accidents.
- Always handle ammunition with care and follow standard firearms safety rules.
- Keep the Ammo Checker out of reach of children and unauthorized users.
- Regularly inspect the Ammo Checker for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use and contact a qualified professional for assistance.

## Specific Safety Precautions for Use

- Always confirm that the firearm is unloaded before using the Ammo Checker.
- Use the Ammo Checker only with compatible calibers as specified in the product description.
- Never force a round into the Ammo Checker; if it does not fit, do not attempt to use it.
- Do not use the Ammo Checker as a substitute for proper firearms training or safety precautions.
- Avoid using the Ammo Checker in wet or damp conditions to prevent corrosion or damage.
- Store the Ammo Checker in a safe, dry place when not in use.

## Instructions for Installation and Usage

1. **Preparation:** Ensure your workspace is clean and organized. Gather your loaded rounds and the Ammo Checker.
2. **Checking Ammunition:**
  - Select the appropriate gauge for your caliber (e.g., Handgun Gauge for .380 Auto, 9mm Luger, etc.).
  - Drop your loaded round into the Ammo Checker.
  - Observe whether the round fits into the gauge:
    - If the round fits, it is safe to use in your firearm.
    - If the round does not fit, do not use it in your firearm and inspect it for potential issues.
3. **PostUse:** After using the Ammo Checker, store it in a safe location, away from moisture and children.

## Disposal Instructions

- Dispose of the Ammo Checker in accordance with local regulations regarding metal and aluminum waste.
- If the product is damaged beyond repair, ensure that it is disposed of safely to prevent any environmental hazards.

## Contact Information for Further Support

For any inquiries or further assistance regarding the Lyman Handgun Ammo Checker, please refer to the manufacturer's contact information available on the product packaging or the official website.

By following these safety instructions, you can ensure a safe and effective experience with your Lyman Handgun Ammo Checker. Thank you for prioritizing safety in your reloading practices.
