

# AR-15/M16 DDM4 HANDGUARDS - DANIEL DEFENSE AR-15/M16 DDM4 LITE RAIL 10"

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Daniel Defense. The DDM4 Rail's ergonomic design allows operators to maintain better control of the firearm. Limited rotation QD swivel attachment points are located at the front and rear of both sides of this rail system for tangle-free attachment for slings. A continuous picatinny rail on top provides the rail real estate for sights and accessories. DDM4 Rail 10.0 is compatible with low profile gas blocks on barrels 11" and longer with gas systems at Mid-length and shorter. Rail System includes all required hardware (Barrel Nut, Bolt-Up Plate, & Screws), tools (Barrel Nut Wrench & Allen Wrench), and 3 Daniel Defense Rail Ladders made of high temperature resistant Santoprene. # AR15/M16 DDM4 Handguards Safety Instruction Guide

## Introduction

Thank you for choosing the AR15/M16 DDM4 Handguards by Daniel Defense. This guide is designed to provide essential safety information and instructions for the safe use and installation of the product. Please read this guide thoroughly before using the handguards to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat the firearm as if it is loaded, even when it is not.
- Ensure that the handguards are installed correctly before using the firearm.
- Regularly inspect the handguards for any signs of wear, damage, or loose fittings.
- Keep the handguards and firearm away from children and unauthorized users.
- Use only compatible accessories and attachments with the DDM4 Rail System.
- Always follow local laws and regulations regarding firearm usage and modifications.
- In case of any doubts or uncertainties regarding safety, consult a qualified gunsmith or firearms expert.

## Specific Safety Precautions for Use

- Ensure the firearm is pointed in a safe direction at all times.
- Do not exceed the recommended weight limit for accessories mounted on the rail.
- Be cautious when using the sling attachment points to avoid accidental entanglement.
- Wear appropriate personal protective equipment (PPE) such as eye and ear protection when using the firearm.
- Be aware of your surroundings and ensure a clear shooting area before firing.

## Instructions for Installation and Usage

### Installation

#### 1. Gather Required Tools:

- Barrel Nut Wrench (Supplied)
- Allen Wrench (Supplied)

#### 2. Remove Existing Handguards:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing handguards by loosening the barrel nut and sliding them off.

#### 3. Install New Handguards:

- Position the new DDM4 Rail over the barrel.
- Secure the barrel nut using the supplied barrel nut wrench.
- Attach the BoltUp Plate and tighten using the Allen wrench provided.

#### 4. Verify Installation:

- Ensure the handguards are firmly attached and do not move.
- Check that all screws and fittings are secure.

## **Usage**

- Attach compatible accessories to the picatinny rail as needed.
- Use the integral sling swivel attachment points for secure sling attachment.
- Always check that accessories are properly mounted before use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling the aluminum and steel components where possible.
- Do not dispose of in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the AR15/M16 DDM4 Handguards, please consult your local firearms expert or a qualified gunsmith.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your AR15/M16 DDM4 Handguards. Always prioritize safety and compliance with all applicable laws and regulations. Thank you for choosing Daniel Defense.
