# Safety Instruction Guide for AR15/M16 DDM4 Handguards

## Introduction

Thank you for choosing the AR15/M16 DDM4 Handguards by Daniel Defense. This guide provides essential safety instructions to ensure the safe and effective use of your handguards. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is installed and used in accordance with the manufacturer's instructions.
- Always treat firearms as if they are loaded.
- Keep the handguards and all related accessories out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with compatible AR15/M16 rifles to avoid potential hazards.
- Ensure that the firearm is unloaded before installation or maintenance.
- Avoid using the handguards if they show any signs of damage or wear.
- Be aware of the potential for overheating during extended use; allow the firearm to cool as needed.
- Use caution when attaching or detaching slings to avoid pinching or injury.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that you have all required tools: Barrel Nut Wrench and Allen Wrench (both supplied).
- Verify that you have the correct hardware (Barrel Nut, BoltUp Plate, & Screws).

### 2. Installation Steps

- Make sure the firearm is unloaded and pointed in a safe direction.
- Remove the existing handguards from the firearm.
- Install the Barrel Nut onto the barrel using the supplied Barrel Nut Wrench.
- Attach the BoltUp Plate securely to the Barrel Nut.
- Align the DDM4 Handguards with the BoltUp Plate and secure them using the provided screws and Allen Wrench.
- Ensure that all components are tightly secured and that there is no movement in the handguards.

### 3. Usage Guidelines

- Always check that the handguards are properly attached before each use.
- Use the continuous picatinny rail on top for mounting sights and accessories.
- Utilize the limited rotation QD swivel attachment points for sling attachment to ensure a secure fit.
- Maintain awareness of the firearm's temperature during use and handle with care.

## **Disposal Instructions**

- Dispose of any damaged or worn handguards responsibly.
- Follow local regulations for the disposal of metal and plastic materials.
- Do not dispose of the product in general waste; consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/M16 DDM4 Handguards, please refer to the manufacturer's website or customer service for assistance. Ensure that you have the product information and any relevant details ready when seeking support.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and safety of your AR15/M16 DDM4 Handguards.
