Consumer Safety Instruction Guide for the Magpul Hunter 700 LA Adjustable Stock

Introduction

Thank you for choosing the Magpul Hunter 700 LA Adjustable Stock for your Remington 700 Long Action rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully to understand how to use the stock safely and effectively.

General Safety Guidelines

- Always handle firearms with care, treating them as if they are loaded at all times.
- Ensure that the stock is properly installed before using the firearm.
- Regularly inspect the stock for any signs of wear or damage. Do not use if damaged.
- Keep the stock and all firearm components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the firearm is unloaded before installing or adjusting the stock.
- Follow all installation instructions carefully to avoid improper assembly.

• Usage Precautions:

- Always ensure that the stock is securely attached to the firearm before use.
- Do not exceed the manufacturer's recommended limits for accessories attached to the stock.
- Use the stock only with compatible Remington 700 Long Action rifles.

• Transport Precautions:

- When transporting the firearm, ensure it is secured in a case and the stock is properly adjusted to prevent movement.

• Cleaning Precautions:

- Use only recommended cleaning products to maintain the stock.
- Avoid using harsh chemicals that may damage the polymer material.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the original stock from the Remington 700 Long Action rifle.
- Align the Magpul Hunter 700 LA stock with the bedding block on the rifle.
- Securely attach the stock using the provided screws, ensuring they are tightened according to the manufacturer's specifications.

2. Adjusting the Stock:

- To adjust the length of pull, locate the adjustment lever on the stock.
- Pull the lever to release the stock, adjust to the desired length, and then release the lever to lock in place.
- For comb height adjustments, follow the same procedure using the designated adjustment points.

3. Using the Stock:

- Ensure the stock is properly adjusted to fit your body and shooting style.
- Test the adjustments by shouldering the rifle and ensuring a comfortable and stable position.

Disposal Instructions

- Dispose of the stock in accordance with local regulations for plastic and metal materials.
- Do not incinerate the stock, as it may release harmful substances when burned.
- If the stock is damaged beyond repair, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions regarding the Magpul Hunter 700 LA Adjustable Stock or safety inquiries, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Magpul Hunter 700 LA Adjustable Stock. Thank you for your attention to safety!
