

# SUPER PRECISION AIMPOINT MICRO MOUNTS - GEISSELE AUTOMATICS ABSOLUTE CO-WITNESS BLACK MICRO MOUNT

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The Super Precision T1 Series was developed specifically to work with the Aimpoint T1 and similarly mounted red dot optics. These mounts are precision machined from a single piece of 7075-T6 high strength aluminum and are available in both co-witness and lower third co-witness options. They are also available in black type 3 hard coat anodize as well as Geisseles' proprietary DDC (Desert Dirt Color) type 3 hard coat anodize. Utilizing Geissele's update of the classic nut and bolt method, this mount will attach your red dot to your weapon with 1,400 pounds of clamping force, and features 3 shear lugs for maximum rigidity and return to zero.

# Safety Instruction Guide for SUPER PRECISION AIMPOINT MICRO MOUNTS

## Introduction

Thank you for choosing the SUPER PRECISION AIMPOINT MICRO MOUNTS by Geissele Automatics. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective operation of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure the mount is compatible with your red dot optic before installation.
- Always inspect the mount for any signs of damage or wear before use.
- Keep out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the specified clamping force of 1,400 pounds.
- Ensure that the mount is securely attached to your weapon before use.
- Avoid using the mount if it has been dropped or damaged.
- Regularly check the mount for tightness and stability during use.
- Do not modify the mount in any way, as this may compromise its safety and effectiveness.
- Use the mount only for its intended purpose; do not use it for other applications.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools, including a torque wrench and appropriate screws.
- Ensure the workspace is clean and free from distractions.

### 2. Installation:

- Align the mount with the mounting point on your weapon.
- Insert the screws into the designated holes and handtighten them.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications.
- Check that the mount is secure and does not wobble.

### 3. Usage:

- Once installed, attach your red dot optic according to its manufacturer's instructions.
- Perform a zeroing process to ensure accuracy.
- Regularly inspect the mount and optic for any signs of loosening or damage.

## Disposal Instructions

- Dispose of the mount responsibly according to local regulations.
- Recycle materials when possible, following your local recycling guidelines.
- Do not dispose of the mount in general waste if it contains hazardous materials.

## **Contact Information for Further Support**

For questions, concerns, or additional support, please refer to the contact details provided with your product packaging or visit the manufacturer's official website.

Thank you for prioritizing safety and compliance while using the SUPER PRECISION AIMPOINT MICRO MOUNTS. Your attention to these guidelines will help ensure a safe and enjoyable experience.
