

# SUPER PRECISION AIMPOINT MICRO MOUNTS - GEISSELE AUTOMATICS LOWER THIRD CO-WITNESS BLACK MICRO MOUNT

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The Super Precision T1 Series was developed specifically to work with the Aimpoint T1 and similarly mounted red dot optics. These mounts are precision machined from a single piece of 7075-T6 high strength aluminum and are available in both co-witness and lower third co-witness options. They are also available in black type 3 hard coat anodize as well as Geisseles' proprietary DDC (Desert Dirt Color) type 3 hard coat anodize. Utilizing Geissele's update of the classic nut and bolt method, this mount will attach your red dot to your weapon with 1,400 pounds of clamping force, and features 3 shear lugs for maximum rigidity and return to zero.

# Safety Instruction Guide for SUPER PRECISION AIMPOINT MICRO MOUNTS

## Introduction

Thank you for choosing the Super Precision Aimpoint Micro Mounts by Geissele Automatics. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide carefully before using the mount.

## General Safety Guidelines

- **Product Safety:** Ensure that the mount is used only for its intended purpose, which is to securely attach red dot optics to your weapon.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the instructions provided for safe return or remedy.
- **Online Shopping:** When purchasing online, ensure that you buy from authorized retailers to guarantee product authenticity and safety compliance.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Be aware of the EU's Safety Gate system, which provides updates on unsafe products.

## Specific Safety Precautions for Use

- **Installation:** Ensure that the mount is installed correctly as per the instructions provided. Improper installation can lead to accidents.
- **Clamping Force:** The mount provides a clamping force of 1,400 pounds. Handle with care to avoid injury during installation or adjustment.
- **Regular Checks:** Periodically check the mount for signs of wear or damage, and ensure that it remains securely fastened to your weapon.
- **Environmental Considerations:** Avoid exposing the mount to extreme temperatures or corrosive environments that may compromise its integrity.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the mount from the packaging. Inspect for any damage or missing components.
2. **Preparation:** Gather the necessary tools for installation, including a torque wrench.
3. **Installation Steps:**
  - Align the mount with the appropriate rail on your weapon.
  - Use the provided hardware to attach the mount securely.
  - Apply the specified torque to the mounting screws as indicated in the product specifications.
4. **Adjustment:** Once installed, adjust the mount to your desired position for optimal sight alignment.
5. **Testing:** After installation, test the mount by gently pulling on the optic to ensure it is securely attached.

## Disposal Instructions

- **Environmental Compliance:** Dispose of the mount and packaging materials in accordance with local regulations concerning electronic waste and recycling.
- **NonHazardous Materials:** The mount is made from materials that are generally nonhazardous, but always check local disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the Super Precision Aimpoint Micro Mounts, please refer to your retailer or the manufacturer for assistance. Always ensure you have the necessary information at hand when seeking support.

Thank you for your attention to these safety guidelines. Enjoy your experience with the Super Precision Aimpoint Micro Mounts, and always prioritize safety during use.
