

TRIJICON MRO LEAP MOUNT - SCALARWORKS TRIJICON MRO 1.42" LEAP/05 QD MOUNT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The SCALARWORKS Trijicon MRO LEAP Mount: The ultimate compliment to the Trijicon MRO. A proprietary ball-detent mechanism and precision guided telescoping clamp holds zero on every re-installation, and under the heaviest recoil; Guaranteed. Engineered to be the lightest Quick-Detach mount possible, without compromising strength. The LDM is CNC Machined from ultra-high-strength 7075-T6 Aluminum. Streamlined profile free of protruding levers and knobs: Won't rap your knuckles, or get caught on clothing, gear, and surroundings. Strength and light weight through superior engineering.

TRIJICON MRO LEAP MOUNT SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SCALARWORKS Trijicon MRO LEAP Mount. This guide provides important safety instructions and information to ensure the safe use of your product. Please read and follow these guidelines carefully to maximize your safety and the performance of the mount.

General Safety Guidelines

- Ensure the mount is compatible with your Trijicon MRO before installation.
- Always inspect the mount for any damage or defects before use.
- Keep the mount and its components out of reach of children.
- Use the mount only as intended; do not modify it in any way.
- Store the mount in a dry, cool place to prevent corrosion or damage.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Follow all installation instructions carefully to avoid improper mounting.
 - Use appropriate tools to ensure secure attachment.
- **Usage Safety:**
 - Regularly check the mount for tightness and stability, especially after heavy use.
 - Be aware of your surroundings to prevent the mount from getting caught on clothing or gear.
- **Handling:**
 - Handle the mount with care to avoid dropping it or subjecting it to excessive force.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the following tools ready: a suitable screwdriver and any other necessary tools specified in the installation instructions.
- Clean the mounting surface on your Trijicon MRO to ensure a secure fit.

2. Installation Steps:

- Align the SCALARWORKS Trijicon MRO LEAP Mount with the mounting surface of the Trijicon MRO.
- Secure the mount using the provided screws and tighten them according to the manufacturer's specifications. Ensure that the ball-detent mechanism is engaged.
- Check that the mount is securely attached and does not wobble.

3. Usage Instructions:

- Once installed, adjust the mount as needed for your shooting position.
- Test the mount by reinstalling it after removal to ensure it holds zero.
- If you experience any issues with the mount, discontinue use immediately and consult the manufacturer.

Disposal Instructions

- Dispose of the mount and any packaging materials in accordance with local regulations.
- Do not dispose of electronic components in regular household waste. Check for designated recycling points in your area.

Contact Information for Further Support

For any questions or concerns regarding the SCALARWORKS Trijicon MRO LEAP Mount, please refer to the manufacturer's contact information provided in the product packaging or on their official website.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your SCALARWORKS Trijicon MRO LEAP Mount. Thank you for your attention to safety.
