

# BLACK GRIP TAPE - HEXMAG GRIP TAPE GRAY

[Shooting Accessories](#) > [Gloves & Grip Accessories](#) > [Grip Enhancers](#)

Hexmag Grip Tape Hexmag Grip Tape allows you to customize your Hexmag as well as provide additional grip. One sheet (46 hex shapes) is enough to cover both sides of one Hexmag magazine if you fill every hex shape of the magazine. One sheet is enough to cover both sides of 2 Hexmag magazines if you fill 50% of the hex shapes of the magazine. The Grip Tape is die-cut into the exact shape to fill the hex-shaped cavities of the Hexmag magazine.

# Safety Instruction Guide for Hexmag Grip Tape

## Introduction

Thank you for choosing Hexmag Grip Tape. This product is designed to enhance the grip of your Hexmag magazines while allowing for customization. This guide provides important safety information and instructions to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only as intended, which is to enhance grip on Hexmag magazines.
- Always inspect the Grip Tape for any damage before use. Do not use if the product is damaged.
- Keep the Grip Tape out of reach of children and pets to prevent accidental ingestion or injury.
- If you experience any allergic reactions or skin irritations while using the Grip Tape, discontinue use immediately and consult a medical professional.
- Report any unsafe products or incidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid applying the Grip Tape in wet or humid conditions, as this may affect adhesion.
- Do not apply the Grip Tape over any existing tape or stickers, as this may compromise its effectiveness.
- Ensure the surface of the Hexmag magazine is clean and dry before application to ensure proper adhesion.
- Be cautious when handling the Grip Tape to avoid cuts or injuries from the edges.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the surface of the Hexmag magazine with a suitable cleaner and allow it to dry completely.
- Gather the necessary tools, such as scissors (if needed) and a clean cloth.

### 2. Application:

- Peel the backing off the Grip Tape to expose the adhesive side.
- Align the Grip Tape with the hexshaped cavities on the magazine, ensuring a snug fit.
- Press firmly to ensure good adhesion, smoothing out any air bubbles as you go.
- If covering both sides of a magazine, repeat the process on the opposite side.

### 3. PostApplication:

- Allow the Grip Tape to set for at least 24 hours before using the magazine to ensure maximum adhesion.
- Regularly check the Grip Tape for wear and replace if necessary to maintain grip.

## Disposal Instructions

- Dispose of any unused or damaged Grip Tape in accordance with local waste disposal regulations.
- Do not dispose of the Grip Tape in household recycling bins, as it may not be recyclable.

## **Contact Information for Further Support**

For any questions or concerns regarding the Hexmag Grip Tape, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy your enhanced grip with Hexmag Grip Tape!
