# Safety Instruction Guide for **LOADING BLOCK** **LYMAN LOADING BLOCK**

## Introduction

Thank you for choosing the **LOADING BLOCK LYMAN LOADING BLOCK**. This essential accessory is designed for organizing and speeding up your loading process, accommodating 50 rifle or pistol cases from .22 to .45 caliber. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the loading block is used in accordance with the manufacturer's instructions.
- Always inspect the loading block for any signs of damage before use.
- Keep the loading block out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.
- Stay informed of any product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the loading block for purposes other than its intended use.
- Avoid using the loading block in wet or damp conditions to prevent slipping and accidents.
- Ensure that the loading block is placed on a stable surface during use.
- Do not overload the loading block beyond its capacity of 50 rounds.
- Handle all ammunition with care and follow standard safety practices for firearms.

## Instructions for Installation and Usage

### 1. Placement:

- Place the **LOADING BLOCK** on a flat, stable surface.
- Ensure that the area is free from clutter and distractions.

### 2. Loading Ammunition:

- Start by selecting the appropriate caliber ammunition (.22 to .45).
- Insert the cases into the designated slots in the loading block.
- Ensure that each case is seated securely and is not obstructed.

### 3. During Use:

- Always be aware of your surroundings and ensure that no unauthorized persons are nearby.
- When loading or unloading ammunition, do so with extreme caution.

### 4. PostUse Care:

- After use, remove all ammunition from the loading block.
- Clean the loading block with a damp cloth to remove any dirt or debris.
- Store the loading block in a safe location away from children and pets.

## Disposal Instructions

- Dispose of the loading block in accordance with local regulations.
- If the loading block is damaged or no longer usable, please recycle where facilities exist.

- Do not dispose of the loading block in household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or concerns about the LOADING BLOCK LYMAN LOADING BLOCK, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your loading experience!
