FTX Profile Crimp Die Safety Instructions

Introduction

Thank you for choosing the FTX Profile Crimp Die for your reloading needs. This product is specifically designed for the 4570 FTX cartridge, providing a tailored crimping solution for optimal performance. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the safe handling and use of reloading equipment.
- Always wear appropriate safety gear, including safety glasses, when using this product.
- Keep the workspace clean and free from distractions to prevent accidents.
- Store the die in a cool, dry place away from children and pets.
- Regularly inspect the die for any signs of wear or damage before use.

Specific Safety Precautions for Use

- Only use the FTX Profile Crimp Die with the 4570 FTX cartridge. Using it with other cartridges can lead to dangerous malfunctions.
- Avoid overcrimping, as this can cause bullet deformation and affect performance.
- Always follow the manufacturer's recommended load data and guidelines when reloading.
- Do not exceed the maximum load limits specified for the 4570 FTX cartridge.
- Ensure that the die is securely mounted in the reloading press before use to prevent accidental movement.

Instructions for Installation and Usage

1. Installation:

- Remove the die from its packaging and inspect it for any damage.
- Securely mount the FTX Profile Crimp Die into your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired height for crimping, ensuring that it is tight and stable.

2. Usage:

- Prepare your 4570 FTX cartridges according to standard reloading procedures.
- Insert the cartridge into the reloading press and raise the ram to engage the die.
- Slowly lower the ram to apply crimp pressure, ensuring that the crimp is even and consistent.
- Inspect each cartridge after crimping to ensure proper seating and crimping.

Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's website or contact your retailer. Always ensure that you have the latest information and updates regarding this product.

By following these safety instructions, you can ensure a safe and effective reloading experience with the FTX

Profile Crimp Die. Thank you for your attention to safety and compliance with EU General Product Safety Regulation.
