

TSR SUPER LOW PICATINNY RINGS - TPS PRODUCTS TSR SUPER LOW STEEL RINGS 34MM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR SL (Super-Low) Series Rings. Providing an extremely low mounting solution for those special applications. Precisely machined with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases. Height measured from top of base to center of ring.

Attributes

- Name: [TPS PRODUCTS TSR SUPER LOW STEEL RINGS 34MM](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020398
- Mfr. No.: 32590

TSR SUPER LOW PICATINNY RINGS Safety Instruction Guide

Introduction

Thank you for choosing the TSR SUPER LOW PICATINNY RINGS by TPS PRODUCTS. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the rings for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation instructions carefully to avoid hazards.
- Be aware of your surroundings when using mounted scopes to prevent accidents.

Specific Safety Precautions for Use

- Always ensure that the scope is securely mounted to prevent it from moving during use.
- Avoid overtightening the screws, as this can damage the scope or the rings.
- Use appropriate tools for installation to avoid injury.
- Ensure that the mounting surface is clean and free from debris before installation.
- Do not exceed the recommended torque specifications when securing the rings to the Picatinny base.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the scope and mounting surface are clean.

2. Mounting the Rings

- Place the TSR SUPER LOW RINGS onto the Picatinny base.
- Align the rings with the desired position for optimal scope placement.

3. Securing the Rings

- Insert the screws into the rings and handtighten them initially.
- Use a torque wrench to tighten the screws to the recommended MiISTD 1913 specifications.
- Ensure that the left side of the cap is tightened before the right side to prevent rotation of the scope.

4. Aligning the Scope

- Once the rings are secured, adjust the scope to align the reticle properly.
- Check that the scope is level and properly positioned before finalizing the installation.

5. Final Inspection

- After installation, perform a final check to ensure all screws are tightened and the scope is secure.
- Test the setup before actual use to ensure stability and safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- For guidance on disposal, please refer to local waste management authorities.

Contact Information for Further Support

For any inquiries or safety concerns regarding the TSR SUPER LOW PICATINNY RINGS, please reach out to your local retailer or manufacturer's representative. Ensure you have your product details ready for assistance.

By following these guidelines and instructions, you can ensure a safe and effective use of the TSR SUPER LOW PICATINNY RINGS. Thank you for your attention to safety!
