GR11 & GR15 Rubber Grips Safety Instruction Guide

Introduction

Thank you for choosing the GR11 & GR15 Rubber Grips from Recover Tactical. These grips are designed to enhance the look and feel of your firearm while ensuring a secure and comfortable hold. This safety instruction guide provides essential information on the safe use, installation, and disposal of your new grips, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the provided instructions.
- Always handle firearms responsibly and follow all local laws and regulations regarding firearm safety.
- Keep the grips out of reach of children and vulnerable individuals to prevent accidental misuse.
- Regularly inspect the grips for any signs of wear or damage before each use.
- If you notice any defects or problems with the grips, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or removing the grips.
- Do not modify the grips or the firearm in any way that could compromise safety.
- Use only the screws provided with the grips for installation to ensure proper fit and safety.
- Avoid using the grips in extreme temperatures or conditions that may affect their integrity.
- If you experience any discomfort while using the grips, discontinue use and consult a professional.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Firearm:** Ensure that your firearm is completely unloaded. Remove any existing grips if applicable.
2. **Attach the Base Platform:** Align the base platform with the grip screw holes on your firearm. Use the existing grip screws to secure the base platform firmly in place.
3. **Wrap the Rubber Grips:** Take the RG11 Rubber Grips and wrap them around the installed base platform. Ensure that the grips fit snugly and cover the base platform completely.
4. **Secure the Grips:** Confirm that the grips are properly positioned and do not obstruct any controls on the firearm. If necessary, adjust the grips to achieve a comfortable fit.
5. **Final Check:** Inspect the installation to ensure that everything is secure and properly aligned. Test the grip by holding the firearm to ensure comfort and stability.

Usage Guidelines

- Always maintain a firm grip on your firearm when in use.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.
- Practice safe firearm handling techniques at all times.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local waste management regulations.
- If the grips become damaged beyond repair, dispose of them in a manner that prevents accidental use.

- Do not incinerate or expose the grips to extreme heat, as this may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the GR11 & GR15 Rubber Grips, please refer to the contact information provided by your retailer or the manufacturer. It is important to have access to support for safety inquiries and product information.

Please keep this safety instruction guide for future reference and ensure that all users of the GR11 & GR15 Rubber Grips are familiar with these guidelines to promote safe and responsible use. Thank you for prioritizing safety!
