

M16 5.56 BOLT CARRIER GROUP - BRAVO COMPANY M16 BOLT CARRIER GROUP BLACK

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

BCM® (MPI) complete bolt carrier group is fully assembled. (BCG) Bolt carrier group (auto version) for your AR15, M16, or M4. Parkerized exterior and chrome lined inside carrier. Machined to USGI specifications. This M16/M4 carrier includes the proper Mil-Spec gas key. Gas key is chrome lined and heat treated per GI specifications. Gas key is secured to carrier via USGI domestic mfg Grade 8 fasteners and properly staked per Mil-Specs. These properly hardened parts insure a strong staking and proper gas system functioning. The bolt assembly is machined from the correct Mil-Spec Carpenter No. 158® steel, shot peened for increased strength, includes tool steel machined extractor and ejector, BCM Extractor Spring, and is HPT (High Pressure Tested) and MPI (Magnetic Particle Inspected). Prior to shipping, all BCM Bolt Carrier Groups are test fired for function. As such, the Bolt Carrier Group will show handling marks consistent with these quality control procedures. The Flat Dark Earth version has the stripped carrier finished with an Ion Bond coating which lowers friction and allows for easier cleaning.

Attributes

- Name: [BRAVO COMPANY M16 BOLT CARRIER GROUP BLACK](#)

M16 5.56 Bolt Carrier Group Safety Instructions

Introduction

Thank you for choosing the M16 5.56 Bolt Carrier Group from Bravo Company. This safety instruction guide is designed to help you understand the safe use, installation, and disposal of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following all instructions and warnings provided.
- Be aware of potential hazards associated with the product, including improper handling and installation.
- Always use the product in a manner consistent with its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates regarding product recalls on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing firearms.
- Ensure the firearm is unloaded before installing or removing the bolt carrier group.
- Inspect the bolt carrier group for any damage or defects before use.
- Do not modify the product in any way; alterations may compromise safety and functionality.
- Always follow the manufacturer's guidelines for installation and usage to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your work area is clean and free of obstructions.
- Gather all necessary tools and safety equipment before beginning the installation.

2. Installation:

- Make sure the firearm is pointed in a safe direction and is unloaded.
- Remove the existing bolt carrier group from the firearm according to the manufacturer's instructions.
- Carefully insert the new M16 5.56 Bolt Carrier Group into the receiver, ensuring it is aligned correctly.
- Secure the bolt carrier group in place, following the manufacturer's specifications for proper installation.

3. Usage:

- After installation, conduct a function check to ensure the bolt carrier group operates smoothly.
- When firing, always maintain control of the firearm and follow all safety protocols.
- Regularly clean and maintain the bolt carrier group to ensure optimal performance and longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, contact a local authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the M16 5.56 Bolt Carrier Group, please refer to the appropriate EU-based contact point or visit the manufacturer's website for more information.

By adhering to these safety instructions, you can ensure the safe and effective use of your M16 5.56 Bolt Carrier Group. Thank you for your attention to safety and for choosing our product.
