

DDM4 V7 5.56X45MM NATO SEMI-AUTO RIFLE - DANIEL DEFENSE

DDM4 V7 5.56X45 NATO 16" BBL (1)32RD MAG BLACK

[Home](#)

The Daniel Defense V7 is the first rifle in the DDM4 lineup to feature the M-LOK® attachment technology with the Daniel Defense MFR XS 15.0 rail. Built around a Cold Hammer Forged, 16" barrel, the V7 has a DD improved Flash Suppressor to reduce flash signature. The mid-length gas system provides smooth and reliable cycling under any condition and reduces both perceived recoil and wear on moving parts. A free-floating MFR XS 15.0 handguard offers incredible weight savings as well as superior cooling, ergonomics, and modularity while maintaining the strength and durability expected from Daniel Defense. With the M-LOK attachment points that run along 7 positions and an uninterrupted 1913 Picatinny rail on top, the V7 has plenty of room for the sights, optics, and accessories the user may require. The rifle is finished off with the rugged and comfortable Daniel Defense Buttstock and Pistol grip.

Attributes

Safety Instruction Guide for the DDM4 V7 5.56X45MM NATO SemiAuto Rifle

Introduction

Thank you for choosing the DDM4 V7 5.56X45MM NATO SemiAuto Rifle by Daniel Defense. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your firearm. It is crucial to read and understand this manual before using the product.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of your target and what is beyond it.
- Store the firearm securely and out of reach of children and unauthorized users.
- Use only the recommended ammunition for this rifle.
- Regularly inspect the firearm for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper handling may lead to accidental discharge.
 - Failure to maintain the rifle can result in malfunctions.
 - Use of incorrect ammunition can cause damage to the firearm and injury to the user.
- **Avoiding Hazards:**
 - Always engage the safety mechanism when not in use.
 - Do not modify the rifle in any way that may affect its performance or safety.
 - Never use the rifle under the influence of drugs or alcohol.
 - Ensure that all bystanders are at a safe distance when firing.
- **AgeSpecific Warnings:**
 - This firearm is intended for use by individuals aged 18 and older.
 - Ensure that minors are supervised by a responsible adult when handling or using the firearm.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that the firearm is unloaded before any installation.
 - Follow the manufacturer's guidelines for attaching accessories such as scopes or grips.
 - Check that all screws and attachments are secure before use.
- **Usage:**
 - Load the magazine according to the manufacturer's instructions.
 - Insert the magazine into the rifle until it clicks into place.
 - To chamber a round, pull the charging handle back and release it.

- To fire, aim at your target, disengage the safety, and gently squeeze the trigger.
- After firing, keep the firearm pointed downrange until you are ready to unload.

Disposal Instructions

- Dispose of the firearm responsibly and in accordance with local laws.
- If you no longer wish to keep the firearm, consider selling it through a licensed dealer.
- Do not dispose of the firearm in regular trash or recycling.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your DDM4 V7 rifle, please refer to the manufacturer's customer service resources. It is important to ensure that you have the most accurate and up-to-date information regarding your product.

Conclusion

Your safety and the safety of others is paramount when handling firearms. By following these guidelines and instructions, you can ensure a safer experience with your DDM4 V7 5.56X45MM NATO SemiAuto Rifle. Always prioritize safety and education when it comes to firearm use.
