TCS CLEANING PATCHES Safety Instruction Guide

Introduction

Thank you for choosing TCS CLEANING PATCHES. This guide provides essential safety information to ensure the safe use of the product. Please read this document carefully before using the patches.

General Safety Guidelines

- Ensure that the patches are used only with compatible TCS Cleaning Jags.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Store the patches in a cool, dry place away from direct sunlight and moisture.
- Keep the patches out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear on the patches before use.

Specific Safety Precautions for Use

- Do not use the patches if they are torn or damaged, as this may lead to ineffective cleaning and potential harm.
- Avoid using the patches with solvents or chemicals that are not recommended by the manufacturer.
- Always follow the manufacturer's guidelines for the appropriate size of patches to use with your specific firearm caliber.
- Ensure that your firearm is unloaded before cleaning to prevent accidental discharge.
- Wear appropriate eye protection when cleaning firearms to protect against debris.

Instructions for Installation and Usage

1. **Select the Correct Patch Size:** Choose the patch size that corresponds to your TCS Cleaning Jag and firearm caliber.

- 22 Caliber 7mm Patches for: 22 Caliber, 243 Caliber (6mm), 25 Caliber (6.5), 270 Caliber (6.8), and .284 Caliber (7mm).
- 3045 Caliber Patches for: 30 Caliber, 338 Caliber, 9mm (358 Caliber), 40 Caliber (10mm), 44 Caliber, 45 Caliber.
- 28 Ga 10 Ga Patches for: 50 Caliber Muzzleloader, 28 Gauge, 20 Gauge, 12 Gauge.

2. **Prepare for Cleaning:**

- Ensure your firearm is in a safe and stable position.
- Confirm that the firearm is completely unloaded.

3. **Attach the Patch:**

- Insert the patch onto the appropriate TCS Cleaning Jag.
- Ensure it is securely attached to prevent slippage during use.

4. **Clean the Firearm:**

- Insert the jag with the patch into the firearm's bore.
- Gently push the jag through the bore, ensuring smooth movement.
- Repeat as necessary, using fresh patches for optimal cleaning.

5. **Post-Cleaning Procedure:**

- After cleaning, inspect the patches for any residue.

- Dispose of used patches responsibly.

Disposal Instructions

- Dispose of used patches in accordance with local waste disposal regulations.
- Do not dispose of patches in open flames or incinerators.
- Ensure that patches are kept away from children and pets during disposal.
