

AR-15 5.56 GOV'T/SOCOM BARRELS - FAXON FIREARMS 5.56 NATO 16" 1-8 TWIST GOV'T/SOCOM CONTOUR BBL NITRIDE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Faxon's Gov't / SOCOM 5.56 AR-15 barrel profile is a mix of the standard M4 profile and a heavy profile - skinny behind the gas block with a thicker O.D. ahead of it for a good balance of rigidity (for accuracy) and manageable weight. Machined from 4150 CMV carbon steel for an excellent balance accuracy and longevity, and QPQ Nitride coated inside and out for amazing corrosion resistance and durability. All Faxon Gov't / SOCOM 5.56 AR-15 barrels are fully stress-relieved, air-gauge tested, and individually checked for headspace by precision custom hardened gauges. They are put through a battery of tests at each operation until they are finally inspected and allowed out the door. Rifling: 1-8" twist, button rifled Profile: Gov't/SOCOM Inside Finish: QPQ Nitride Outside Finish: QPQ Nitride Muzzle Thread: 1/2"-28 tpi Gas Block Shoulder Diameter: .750" Gas Port Diameter: .081" Gas Block Journal Length: 1.9" Magnetic Particle Inspected! 11-degree Target Crown All Gov't / SOCOM 5.56 AR-15 have M4-type feed ramps in the barrel extension to aid in reliable chambering of each round.

Safety Instruction Guide for AR15 5.56 GOV'T/SOCOM BARRELS

Introduction

Thank you for choosing the Faxon Firearms AR15 5.56 GOV'T/SOCOM Barrel. This guide provides essential safety instructions to ensure the safe use and maintenance of your barrel. Please read this guide carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure that the barrel is installed by a qualified gunsmith to prevent any potential hazards.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Use only the recommended ammunition specified for this barrel.
- Regularly inspect your barrel for any signs of damage or wear.
- Follow all local laws and regulations regarding the use and ownership of firearms.
- In case of any malfunction, do not attempt to fix it yourself; seek professional assistance.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not exceed the recommended number of rounds fired through the barrel in a single session to prevent overheating.
- Avoid using damaged or improperly maintained firearms.
- Be aware of your surroundings and ensure a clear shooting range.
- Do not modify the barrel or any associated components without professional guidance.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure you have all necessary tools and components for installation.
2. **Safety Check:** Before beginning, ensure the firearm is unloaded and pointed in a safe direction.
3. **Remove Existing Barrel:** Follow the manufacturer's instructions to safely remove the existing barrel from the firearm.
4. **Install New Barrel:**
 - Align the new Faxon barrel with the upper receiver.
 - Securely fasten the barrel nut according to the manufacturer's torque specifications.
5. **Gas Block Installation:**
 - Install the gas block at the designated location on the barrel.
 - Ensure proper alignment with the gas port.
6. **Final Checks:** Inspect all connections and ensure everything is securely fastened before reassembling the firearm.

Usage

- Load the firearm only when ready to shoot.
- Always ensure the firearm is in a safe condition before handling or transporting.
- Clean the barrel regularly to maintain performance and safety.
- Follow all manufacturer recommendations for ammunition and maintenance.

Disposal Instructions

When it comes time to dispose of your barrel or any associated components:

- Contact local waste management authorities for proper disposal methods.
- Do not throw away firearms components in regular trash.
- Consider recycling options if available for metal components.

Contact Information for Further Support

For safety inquiries or additional support regarding the Faxon Firearms AR15 5.56 GOV'T/SOCOM Barrel, please consult the manufacturer's website or customer service for assistance.

This guide is designed to ensure your safety and the safe operation of your new barrel. Adhering to these guidelines will help you enjoy your product while minimizing risks associated with firearm use. Thank you for your attention to safety.
