V1 SLIDE PLATE FOR GLOCK® STRIKE INDUSTRIES

V1 SLIDE PLATE, BLACK Safety Instruction Guide

Introduction

Thank you for purchasing the V1 Slide Plate for GLOCK® by Strike Industries. This product is designed to enhance the functionality and aesthetics of your GLOCK pistol. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines essential safety guidelines, precautions, installation instructions, and disposal information.

General Safety Guidelines

- Ensure that your firearm is unloaded before installing or handling the Slide Plate.
- Always follow standard firearm safety practices, including keeping the muzzle pointed in a safe direction.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- This product is intended for adult users only. Keep out of reach of children.
- Regularly inspect the Slide Plate for any signs of wear or damage. If damaged, discontinue use immediately.
- Report any unsafe conditions or incidents involving this product to the appropriate authorities.

Specific Safety Precautions for Use

- The Slide Plate is designed for GLOCK models 1739. It is NOT compatible with GLOCK models G42 and G43.
- Use only as intended. Do not modify or alter the Slide Plate in any way.
- Ensure that the Slide Cover Plate Button operates smoothly before using the product.
- Avoid exposing the Slide Plate to extreme temperatures or harsh chemicals, which could compromise its integrity.
- Always ensure that the Slide Plate is securely installed before using your firearm.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools if required (e.g., a small flathead screwdriver if needed for initial removal).

2. Removing the Existing Slide Plate:

- Locate the existing slide cover plate on your GLOCK.
- Using your finger or a small tool, gently press the existing slide plate to release it. Be cautious of the firing pin and extractor.

3. Installing the V1 Slide Plate:

- Align the V1 Slide Plate with the slide assembly.
- Firmly press the Slide Plate into place until it clicks securely.
- Test the Slide Cover Plate Button to ensure it functions correctly for toolless disassembly.

4. Final Check:

- Confirm that the Slide Plate is securely attached and that there are no gaps.

- Reassemble any other parts of the firearm as necessary.

Usage Instructions

- To disassemble the firing pin and extractor, press the Slide Cover Plate Button and follow the standard disassembly procedure for your GLOCK model.
- Always follow the manufacturer's instructions for your specific GLOCK model when handling and maintaining your firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the Slide Plate is damaged or no longer needed, ensure it is disposed of safely to prevent accidental use.
- Consider recycling materials where applicable, following local recycling guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the V1 Slide Plate for GLOCK®, please refer to the manufacturer's website or customer support resources.

Thank you for choosing the V1 Slide Plate for GLOCK® by Strike Industries. Your safety and satisfaction are our top priorities. Always handle firearms responsibly and in accordance with all applicable laws and regulations.
