V2 Slide Plate for GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the V2 Slide Plate for GLOCK® by Strike Industries. This guide provides essential safety instructions and best practices for the use and maintenance of your Slide Cover Plate. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Slide Cover Plate is compatible with your GLOCK model before installation.
- Always handle your firearm with care and follow all safety protocols associated with firearm use.
- Keep the Slide Cover Plate out of reach of children and unauthorized users.
- Regularly inspect the Slide Cover Plate for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only with GLOCK models 1739, Gen 14. Not compatible with G42/43.
- Do not attempt to modify the Slide Cover Plate or use it in any manner not specified in this guide.
- Ensure that the firearm is unloaded before installing or removing the Slide Cover Plate.
- Avoid using excessive force when installing or removing the Slide Cover Plate.
- Be aware of the pushbutton design; ensure it is functioning correctly to avoid accidental disassembly.

Instructions for Installation and Usage

1. Preparation:

- Ensure your GLOCK is unloaded and pointed in a safe direction.
- Gather necessary tools, if needed, to assist with the installation.

2. Installation:

- Locate the existing slide cover plate on your GLOCK.
- Use the pushbutton design on the Slide Cover Plate to disengage the current cover plate.
- Align the new V2 Slide Plate with the slide assembly.
- Press firmly until the Slide Plate clicks into place, ensuring it is secure.

3. Usage:

- To disassemble the firing pin and extractor, press the pushbutton to release the Slide Cover Plate.
- Follow your GLOCK's manual for any further disassembly instructions.
- Regularly check the Slide Cover Plate for secure attachment during routine maintenance.

4. Maintenance:

- Clean the Slide Cover Plate with a soft cloth to remove any dirt or residue.
- Inspect for any signs of wear or damage and replace if necessary.

Disposal Instructions

- Dispose of the Slide Cover Plate in accordance with local regulations.

- If the Slide Cover Plate is damaged or no longer usable, consider recycling it as aluminum.

Contact Information for Further Support

For any inquiries or support regarding the V2 Slide Plate for GLOCK®, please refer to the manufacturer's website or customer service resources. Ensure to have your product details ready for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
