

AR-15 D60 60-RD DRUM W/ 2 30-RD PMAGS - PMAG D-60 60RD DRUM MAG W/2 PACK 30RD MAGAZINES FOR AR-15

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Bundle and save with this special purchase package on one Magpul S60 Drum Magazine and get 2-30 rd PMAGs FREE! The PMAG D-60 is a durable, lightweight, highly reliable 60-round 5.56x45 NATO/.223 Remington polymer magazine for AR-15/M4 compatible weapons. With a larger capacity than previous PMAGs, the PMAG D-60 gives the shooter 60 rounds of ammunition, effectively allowing the same round count as two standard capacity 30-round magazines without requiring a critical reload. The unique drum configuration keeps the height of the magazine manageable as well, allowing prone firing and easier storage. Features a paint pen dot matrix for easy marking and the MagLevel system for instant capacity indication. Compatible with a wide range of NATO firearms such as the M4, M16, SCAR MK16/16S, HK416, MR556, M27 IAR, and others. The Magpul PMAG is an exceptionally rugged, combat- and competition-ready magazine functions flawlessly, even when left fully loaded for extended periods. Corrosion-proof, self-lubricating one-piece body of fiber-reinforced, molded polymer has no spot welds or joints to impair the follower, and the constant internal curve ensures smooth, unobstructed movement of the round stack. Anti-tilt follower stabilizes the stack to help prevent nose-diving and bolt-over-head failures. Heat-treated, stainless steel spring is stress-relieved for optimal performance. Withstands the heat from prolonged full-auto fire and is not harmed by most bore cleaners and solvents. Exterior ribbing provides added gripping surface; magazine catch notch, rather than a traditional hole, keeps dirt and debris out. Easy-to-grasp ledge on floorplate aids in extracting magazine from pouches; floorplate removes easily for cleaning. All models available in Black. DO NOT COME WITH DUST COVERS.

Safety Instruction Guide for AR15 D60 60RD Drum with 2 30RD PMAGs

Introduction

Thank you for purchasing the AR15 D60 60RD Drum with 2 30RD PMAGs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the magazine and keep it for future reference.

General Safety Guidelines

- Ensure that all users of this product are familiar with firearm safety and handling practices.
- Always treat every firearm as if it is loaded.
- Store ammunition and magazines in a secure location, away from children and unauthorized users.
- Do not use this magazine with firearms that are not compatible with the AR15 or M4 platform.
- Regularly inspect the magazine for signs of wear or damage before each use.
- In case of any malfunction, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always use the correct ammunition type specified for your firearm (5.56x45 NATO / .223 Remington).
- Avoid exposing the magazine to extreme heat or direct flame, as this may compromise its integrity.
- Do not attempt to disassemble or modify the magazine beyond the manufacturer's instructions.
- When loading the magazine, do so in a safe environment, away from others.
- Keep fingers clear of the magazine's feeding mechanism while loading.
- If the magazine becomes jammed or fails to feed properly, do not force it. Remove it from the firearm and inspect it for blockage or damage.
- Always follow the manufacturer's guidelines for loading and unloading the magazine.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing upward.
- Insert rounds into the magazine, ensuring they are aligned properly and seated fully.
- Use the paint pen dot matrix to mark your magazine if necessary.

2. Installing the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction and the safety is engaged.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the well until it clicks into place.

3. Unloading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Remove the magazine by pressing the magazine release button.
- Inspect the magazine and rounds for any signs of damage or malfunction.

4. Cleaning the Magazine:

- Remove the floorplate by pressing the release tab.

- Clean the interior of the magazine with a soft cloth.
- Reassemble the magazine after cleaning.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding plastic and metal waste.
- If the magazine is damaged beyond repair, ensure it is rendered unusable before disposal.
- For environmentally friendly disposal, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or contact their customer service department. It is essential to have access to support for any questions or concerns you may have regarding the AR15 D60 60RD Drum and PMAGs.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15 D60 60RD Drum and PMAGs. Always prioritize safety and responsible handling of firearms and accessories. Thank you for your attention to these important safety measures.
