

# SHIM KIT FOR MOUNTING FLASH SUPPRESSORS - SHIM KIT FOR MOUNTING FLASH HIDERS 7.62MM (5/8-24)

[Rifle Parts](#) > [Muzzle Devices](#) > [Thread Adapters](#)

The GEMTECH 5/8-24 shim kit is ideal for mounting flash hidere, muzzle breaks or suppressor mounts. Crush washers and split-ring washers can cause canting of any brand of suppressor. By replacing those crush washers with a precision-made set of GEMTECH shim washers you can achieve perfect alignment and timing. The GEMTECH 5/8-24 shim kit is designed for most 7.62 rifles such as AR10-type carbines.

# Safety Instruction Guide for SHIM KIT FOR MOUNTING FLASH SUPPRESSORS

## Introduction

Thank you for choosing the GEMTECH SHIM KIT FOR MOUNTING FLASH SUPPRESSORS. This product is designed to enhance the performance and safety of your firearm by ensuring proper alignment and timing of flash hiders, muzzle brakes, or suppressor mounts. Please read this safety instruction guide carefully to ensure safe and effective use of the shim kit.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to mount flash suppressors, flash hiders, or muzzle brakes on 7.62 rifles.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the shim kit and all components out of reach of children and unauthorized users.
- Regularly inspect the shim kit for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when installing or handling the shim kit.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Be aware of your surroundings and ensure that no one is in close proximity when working with firearms.
- Do not modify the shim kit or use it in a manner not specified by the manufacturer.
- If you experience any difficulty during installation, consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that you have all necessary tools and components before starting the installation.
- Read the installation instructions thoroughly.

### 2. Installation Steps

- Remove the existing flash suppressor or muzzle brake from the firearm.
- Clean the mounting surface to remove any debris or old adhesive.
- Select the appropriate GEMTECH shim washers from the kit.
- Place the shim washers onto the mounting surface, ensuring they are evenly distributed.
- Reattach the flash suppressor, muzzle brake, or suppressor mount, ensuring that it is properly aligned.
- Tighten the components according to the manufacturer's specifications, being careful not to overtighten.

### 3. PostInstallation Check

- After installation, check the alignment and ensure that the flash suppressor or muzzle brake is secure.
- Perform a function check of the firearm to ensure proper operation.

## **Disposal Instructions**

- Dispose of any damaged or worn shim washers in accordance with local regulations.
- Do not dispose of the shim kit in regular household waste.
- Check with local authorities for specific disposal guidelines related to firearm accessories.

## **Contact Information for Further Support**

For assistance, please refer to the manufacturer's website or consult your retailer. Ensure that you have your product details ready for any inquiries.

Thank you for using the GEMTECH SHIM KIT FOR MOUNTING FLASH SUPPRESSORS. Your safety and satisfaction are our top priorities.
