

REFLEX MINI SIGHT - SHIELD SIGHTS LTD. REFLEX MINI SIGHT (RMS) 8 MOA RED DOT

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

The next evolution in mini red dot sights. Small enough to fit discreetly on any gun, tough enough to withstand the harshest recoil and light enough that you won't even feel it's there. The Shield RMS is machined from strong aerospace grade aluminium. It has super-fast automatic brightness adjustment to adapt to your environment allowing you to concentrate on the target and the quick release side accessible battery drawer means you can change the battery without the need to dismount. Its stunning, low profile design makes it an ideal optic for any custom pistol build. Screws are not included.

REFLEX MINI SIGHT SHIELD SIGHTS LTD. REFLEX MINI SIGHT (RMS) 8 MOA RED DOT Safety Instruction Guide

Introduction

Thank you for choosing the REFLEX MINI SIGHT SHIELD SIGHTS LTD. REFLEX MINI SIGHT (RMS) 8 MOA RED DOT. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the sight.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use on firearms. Ensure you understand how to operate it properly.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** This product should not be used by children or individuals who are not trained in firearm safety.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer or your retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Avoid Exposure to Extreme Conditions:** Do not expose the sight to extreme temperatures or moisture, which can affect performance.
- **Regularly Check Functionality:** Periodically test the sight to ensure it is functioning correctly.
- **Use Only Recommended Batteries:** Only use (1) CR 2032 Lithium battery as specified. Using other batteries may pose safety risks.
- **Handle with Care:** Treat the sight with care to avoid damage, which may lead to malfunction.
- **Secure Mounting:** Ensure the sight is securely mounted on your firearm to prevent it from dislodging during use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the mounting area on your firearm.
- Align the REFLEX MINI SIGHT with the mounting surface.
- Secure the sight using appropriate screws (note: screws are not included).
- Confirm that the sight is firmly attached and does not move.

2. Battery Installation:

- Locate the sideaccess battery drawer.
- Open the battery drawer carefully.
- Insert the (1) CR 2032 Lithium battery, ensuring correct polarity.
- Close the battery drawer securely.

3. Adjusting Brightness:

- The sight features automatic brightness adjustment. Ensure the sight is powered on and observe the reticle for optimal visibility.

4. Using the Sight:

- Position yourself in a safe shooting stance.
- Align the reticle with your target.
- Focus on the target while the sight assists in aiming.

5. PostUse Care:

- After use, clean the sight with a soft cloth to remove any dirt or debris.
- Store the firearm and sight in a cool, dry place.

Disposal Instructions

- Dispose of the sight and batteries according to local regulations.
- Do not dispose of batteries in regular waste; check for battery recycling programs in your area.

Contact Information for Further Support

For any questions or concerns regarding the REFLEX MINI SIGHT SHIELD SIGHTS LTD. REFLEX MINI SIGHT (RMS) 8 MOA RED DOT, please consult your retailer or the manufacturer's website for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your REFLEX MINI SIGHT. Thank you for your attention to safety.
