

AR-15 MAGPUMP HOPPER FED MAGAZINE LOADER - MP-AR15 MAGPUMP HOPPER FED MAGAZINE LOADER POLYMER

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Magazine Speedloaders](#)

Load Mags Fast Without Wearing Out Your Fingers

The Mag-Pump MP-AR15 Hopper Fed Magazine Loader dramatically reduces the time it takes to load any mil-sec AR-15 magazine. Simply dump loose ammo into the hopper – no need to arrange or "pre-stage" the rounds – insert your favorite magazine and start turning the handle. A safety system inside the Mag-Pump MP-AR15 Hopper Fed Magazine Loader prevents the rounds from being fed in the wrong orientation. The Mag-Pump MP-AR15 Hopper Fed Magazine Loader fills up magazines as fast as the user can crank the handle and keep a fresh supply of ammunition in the hopper. Reduces magazine loading time by more than 50% Loads .223 Rem, 5.56 NATO and .300 Blackout Baseplate can mount to bench or other platform Available in lightweight polymer or, for really high-volume shooters, aluminum Unloader is not included. Loading AR-15 magazines is a breeze with the Mag-Pump MP-AR15 Hopper Fed Magazine Loader, so you'll spend more time pulling the trigger - the way a trip to the range should be!

Safety Instruction Guide for AR15 MAGPUMP HOPPER FED MAGAZINE LOADER MPAR15

Introduction

Thank you for choosing the AR15 MagPump Hopper Fed Magazine Loader MPAR15. This guide provides essential safety information and usage instructions to ensure safe and effective operation of this product. Please read this guide carefully before using the magazine loader.

General Safety Guidelines

- Ensure that the magazine loader is used only for its intended purpose, which is to load AR15 magazines.
- Always follow the manufacturer's instructions for loading and operating the device.
- Keep the magazine loader out of reach of children and unauthorized users.
- Inspect the magazine loader for any signs of damage before use. Do not use if damaged.
- Store the magazine loader in a dry place, away from direct sunlight and moisture.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only compatible ammunition (.223 Rem, 5.56 NATO, and .300 Blackout) for loading.
- Avoid placing fingers or any body parts near the hopper while loading ammunition.
- Do not attempt to disassemble the magazine loader while it is in use.
- Ensure that the safety system is functioning properly before use to prevent incorrect loading of rounds.
- Do not overload the hopper beyond its capacity, as this may cause malfunction.
- Always keep the area around the magazine loader clear of obstacles to prevent tripping or accidents.

Instructions for Installation and Usage

1. Setting Up the Magazine Loader:

- Place the magazine loader on a stable surface such as a workbench or table.
- Ensure the baseplate is securely mounted to the surface to prevent movement during operation.

2. Loading Ammunition:

- Open the hopper lid and dump loose ammunition into the hopper without arranging or prestaging the rounds.
- Insert your AR15 magazine into the loading slot, ensuring it is properly aligned.
- Begin turning the handle at a steady pace to load the ammunition into the magazine.
- Monitor the loading process to ensure that rounds are being fed correctly. If any issues arise, stop and inspect the loader.

3. PostUse:

- Once loading is complete, remove the magazine from the loader.
- Close the hopper lid to protect the remaining ammunition in the hopper.
- Clean the magazine loader as necessary to maintain its functionality.

Disposal Instructions

- Dispose of the magazine loader according to local regulations for plastic and metal products.
- If the product is no longer functional, consider recycling materials where possible.

- Do not dispose of the magazine loader in general waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 MagPump Hopper Fed Magazine Loader MPAR15, please consult the product packaging or visit the manufacturer's website for further assistance.

Conclusion

Your safety and satisfaction are our top priorities. By following the instructions and guidelines provided in this manual, you can ensure a safe and enjoyable experience with your AR15 MagPump Hopper Fed Magazine Loader MPAR15. Thank you for your attention to safety!
