IO TRIJICON® MRO COVERS TANGODOWN

TRIJICON MRO COVER Safety Instructions

Introduction

Thank you for choosing the Tangodown iO Protective Body Armor for your Trijicon MRO optic. This product is designed to protect your optic from harsh environments and weather conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

To ensure your safety and the longevity of your Tangodown iO Protective Body Armor, please observe the following guidelines:

- Always inspect the product before use for any visible damage.
- Ensure that the lens caps are securely fitted before moving or shooting.
- Keep the product away from extreme heat sources and open flames.
- Store the product in a dry, cool place when not in use.
- Report any unsafe conditions or product defects to the appropriate authorities.

Specific Safety Precautions for Use

When using the Tangodown iO Protective Body Armor, please follow these specific safety precautions:

- Use the product only for its intended purpose, which is to protect Trijicon MRO optics.
- Avoid exposing the product to harsh chemicals, solvents, or oils that may degrade the material.
- Do not attempt to modify or alter the product in any way.
- Ensure that the lens caps are opened or closed carefully to avoid any damage to the optic.
- Be mindful of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

To properly install and use the Tangodown iO Protective Body Armor, follow these steps:

1. Installation:

- Remove the Tangodown iO Protective Body Armor from its packaging.
- Align the protective body armor with your Trijicon MRO optic.
- Gently press the armor onto the optic until it fits snugly.
- Ensure that the lens caps are securely attached to prevent them from falling off during use.

2. Usage:

- To open the lens caps, simply pull them away from the optic.
- To close the lens caps, push them back into place until you hear a click.
- Avoid excessive force when opening or closing the caps to prevent damage.
- Regularly check the fit of the armor to ensure it remains secure during use.

Disposal Instructions

When it comes time to dispose of your Tangodown iO Protective Body Armor, please follow these disposal instructions:

- Dispose of the product in accordance with local waste management regulations.
- Do not incinerate the product, as it may release harmful substances.
- If the product is damaged or no longer usable, consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or further support regarding the Tangodown iO Protective Body Armor, please reach out to the manufacturer or your point of purchase. Ensure you have the product details ready for assistance.

By following these safety instructions, you can ensure the safe use of your Tangodown iO Protective Body Armor and protect your Trijicon MRO optic effectively. Thank you for your attention to safety.
