Replacement Barrel for Original Colt-Manufactured 1903s or New Reproductions

Built to original factory specifications, this reproduction Colt 1903 replacement barrel will fit all late-production Types 3-5 and U.S. Armament's reproduction 1903 General Officer's Pocket Pistol. These barrels are machined from high-grade ordnance steel using the latest technology and come in-the-white, with no markings. Even better, the Colt 1903 replacement barrel is also available in a threaded model, ready to accept the latest sound suppressor, so you can enjoy shooting your classic without creating "noise pollution!" Correct, original .32 ACP chambering Helps you preserve - or regain - your 1903's superb accuracy 6 lugs at rear, single center lug for precise, tight lockup Due to manufacturing variations in old firearms, MAY require minor fitting Threaded model has 1/2"-24 tpi threads With this Colt 1903 replacement barrel, you can get that old veteran back on the firing line doing what it was meant to do, or you can "suppressor-ize" your U.S. Armament 1903 pistol.

Safety Instructions for COLT 1903 BARREL .32 ACP

Introduction

Thank you for choosing the COLT 1903 BARREL .32 ACP produced by US Armament Corporation. This product is designed to meet the highest safety standards and enhance your shooting experience. Please read this safety instruction guide carefully to ensure safe and effective use of the barrel.

General Safety Guidelines

- Always treat the barrel as if it is loaded.
- Keep the barrel and all firearms out of the reach of children.
- Inspect the barrel before each use for any signs of wear or damage.
- Use only compatible ammunition as specified by the manufacturer.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Follow all local laws and regulations regarding firearms and ammunition.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attempting to install or remove the barrel.
- Always perform maintenance and cleaning in a wellventilated area.
- Avoid using the barrel in environments that may expose it to excessive moisture or corrosive substances.
- Do not modify the barrel or attempt to alter its design in any way.
- If using the threaded model, ensure that the suppressor is properly attached and compatible with the barrel specifications.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing barrel by following the manufacturer's instructions for disassembly.
- Align the new COLT 1903 BARREL with the firearm's frame and insert it carefully.
- Secure the barrel in place according to the manufacturer's specifications.

2. Usage:

- Load the firearm with the appropriate .32 ACP ammunition.
- Always check that the barrel is properly secured before firing.
- Aim the firearm in a safe direction and pull the trigger only when ready to shoot.
- After use, clean the barrel and firearm according to the manufacturer's maintenance guidelines.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal options.

Contact Information for Further Support

For any safety inquiries or additional support regarding the COLT 1903 BARREL .32 ACP, please refer to the contact information provided with the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your COLT 1903 BARREL .32 ACP. Thank you for your attention to these important guidelines.
