# Safety Instruction Guide for SLIDE COMPLETION KIT FOR GLOCK® GEN 3

## Introduction

Thank you for choosing the SLIDE COMPLETION KIT FOR GLOCK® GEN 3. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that all components are compatible with your specific model of Glock pistol.
- Always handle firearms and firearm components with care.
- Keep the kit and all its components out of reach of children and unauthorized individuals.
- Regularly check for any signs of wear or damage on the components before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear safety glasses when working with firearm components to protect your eyes.
- Use the kit in a wellventilated area to avoid inhaling any dust or particles.
- Do not modify any components beyond the intended use specified in this guide.
- Ensure that the firearm is unloaded before beginning any installation or maintenance.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components from the kit.
- Ensure your workspace is clean and organized.

### 2. Installation Steps

- Remove the slide from your Glock pistol.
- Carefully install the 174 Stainless Steel Firing Pin into the slide.
- Insert the Firing Pin Spring Spacer and then the Firing Pin Spring Cups.
- Follow with the 302 Stainless Firing Pin Spring.
- Install the 4140 Nitrided Firing Pin Safety.
- Place the 302 Stainless Firing Pin Safety Spring in its designated position.
- Install the Standard Extractor and the 4140 Nitrided Extractor Depressor Plunger.
- Ensure the Extractor Depressor Plunger Spring is properly positioned.
- Insert the Spring Loaded Bearing and Firing Pin Channel Liner into the slide.

### 3. Final Checks

- Verify that all components are securely installed and functioning correctly.
- Reassemble the slide onto the firearm and perform a function check to ensure proper operation.
- Store the firearm in a safe location when not in use.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SLIDE COMPLETION KIT FOR GLOCK® GEN 3, please refer to your local dealer or authorized distributor for assistance.

Thank you for your attention to safety and for choosing our product.
