Safety Instruction Guide for the ARMORERS HANDGUN SIGHT TOOL

Introduction

Thank you for choosing the Wheeler Engineering Armour's Handgun Sight Tool. This tool is designed to assist in the installation, removal, and adjustment of dovetail front and rear pistol sights. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure that the tool is used in a safe environment, free from distractions.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay updated on any product recalls or safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the tool.
- Ensure that the firearm is unloaded before using the sight tool.
- Use the tool only for its intended purpose; do not modify or misuse it.
- Be cautious of sharp edges and moving parts when operating the tool.
- Secure the slide properly using the independent positioning clamps to avoid accidents.
- Do not force any adjustments; if resistance is felt, stop and reassess the setup.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary tools and safety equipment.

2. Setting Up the Tool

- Place the Armour's Handgun Sight Tool on a stable work surface.
- Use the four independent positioning clamps to secure the slide of the handgun.
- Ensure that the slide is held firmly to prevent bending during adjustments.

3. Adjusting the Sights

- Use the large adjustment wheel to make micro sight adjustments.
- Reference the marks on the tool for precise adjustments.
- If adjusting a Glock slide, reverse the sight prong assembly as needed.

4. Finalizing Adjustments

- Once adjustments are made, doublecheck that all screws and clamps are secure.
- Carefully remove the firearm from the tool and conduct a final inspection of the sight alignment.

5. PostUse Care

- Clean the tool after use to maintain its condition.

- Store the tool in a safe place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the tool according to local regulations regarding electronic and mechanical waste.
- Do not dispose of the tool in regular household waste.
- Check for any specific disposal guidelines provided by the manufacturer.

Contact Information for Further Support

For any questions or concerns regarding the use of the Armour's Handgun Sight Tool, please refer to the manufacturer's contact information provided with the product packaging or on their official website.

By following these guidelines, you can ensure the safe and effective use of the Wheeler Engineering Armour's Handgun Sight Tool. Thank you for your attention to safety!
