

MFR XS FREE FLOAT M-LOK HANDGUARD - DANIEL DEFENSE MFR XS HANDGUARD FREE FLOAT ALUMINUM 9" BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Easy Handling & Plenty Of Room For Accessories

Daniel Defense's MFR XS M-LOK free-floating handguard combines the popular M-LOK accessory attachment system with excellent weight savings, as well as superior cooling and ergonomics. Daniel Defense employs a unique bolt-on system that lets you attach the MFR XS to a standard AR-15 barrel nut, which helps keep the outside diameter of this handguard to a minimum, making it easy to grasp, helping you control your rifle. The Daniel Defense MFR XS M-LOK handguard offers seven rows of M-LOK attachment points on the sides and bottom, along with an uninterrupted MIL-STD 1913 Picatinny top rail. Integrated in both the left and right side rails are ambidextrous QD pushbutton sling swivel attachment points. Machined 6061 T6 aluminum Type III hardcoat anodized finish Grade 8 military specification fasteners Anti-rotation tabs to keep the handguard aligned with the receiver The Daniel Defense MFR XS M-LOK handguard can be used with a pinned low-profile gas block on pistol, carbine, mid-length or rifle length gas systems.

Safety Instruction Guide for MFR XS Free Float MLOK Handguard

Introduction

Thank you for choosing the MFR XS Free Float MLOK Handguard from Daniel Defense. This guide provides essential safety information and instructions to ensure the safe and effective use of your handguard. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with the use of firearms and accessories.
- Always treat firearms as if they are loaded and handle them with care.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Inspect the handguard and attached accessories before each use for any signs of damage or wear.
- Ensure that the handguard is properly installed and secured before use.
- Do not exceed the manufacturer's recommendations for weight or accessories attached to the handguard.
- Avoid using the handguard in extreme conditions or environments that may compromise its integrity.
- Do not modify the handguard in any way that could affect its performance or safety.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing handguard from the AR15 barrel nut.
- Align the MFR XS handguard with the barrel nut and slide it into place.
- Use the provided Grade 8 military specification fasteners to secure the handguard.
- Ensure that the antirotation tabs are engaged and the handguard is aligned with the receiver.

2. Usage

- Familiarize yourself with the handguard's features, including MLOK attachment points and ambidextrous QD sling swivel attachment points.
- Attach accessories only to the designated MLOK points to maintain balance and safety.
- Regularly check the tightness of the handguard and any attached accessories during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the handguard is damaged beyond repair, consider recycling the aluminum material where possible.
- Do not dispose of any components in household waste.

Contact Information for Further Support

For any questions or concerns regarding the MFR XS Free Float MLOK Handguard, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
