# Safety Instruction Guide for LuthAR Skullation Stock Assembly

## Introduction

Thank you for choosing the LuthAR Skullation Stock Assembly. This guide provides essential safety information and instructions to ensure the safe use and enjoyment of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is compatible with your firearm before installation.
- Always follow local laws and regulations regarding firearm modifications and accessories.
- Inspect the stock assembly for any signs of damage or wear before each use.
- Keep the product out of reach of children and unauthorized individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the stock assembly only with compatible buffer tubes (commercial or miltech).
- Do not exceed the recommended weight limit for accessories attached to the picatinny rail.
- Ensure that the flat set screw is properly tightened to prevent any rattle or movement during use.
- Avoid using the stock assembly with an A2 standard buffer tube, as it is not interchangeable.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the buffer tube.
- Align the LuthAR Skullation Stock Assembly with the buffer tube.
- Slide the stock onto the buffer tube until it is fully seated.
- Use the provided flat set screw to secure the stock in place. Tighten it to eliminate any rattle.
- Adjust the stock to your preferred position (4 positions available out of 6) and ensure it is locked in place.

### 2. Usage:

- Familiarize yourself with the stock's features and adjustments before use.
- Regularly check the tightness of the set screw and the integrity of the stock during use.
- Remove any accessories from the picatinny rail before transporting the firearm to avoid snagging or damage.
- Store the firearm in a secure location when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic materials.
- Do not dispose of the product in household waste.
- Consider recycling the product where facilities are available.

## **Contact Information for Further Support**
