

VANGUARD 2 HOLSTER FOR GLOCK® 42 AND 43 - RAVEN CONCEALMENT SYSTEMS VANGUARD 2 HOLSTER BELT OVERHOOK

[Home](#)

Gives the Security of a Traditional IWB Holster With the Bare Minimum of Bulk

The Raven Concealment VanGuard 2 holster for Glock 42 / 43 pistols gives the security and coverage of a traditional inside-the-waistband (IWB) holster with minimal bulk. Covering just the triggerguard of your Glock 42 / 43, the VanGuard 2 holster lets you carry the gun tucked safely inside your waistband without fear of accidental discharge yet it is ready for rapid deployment. The VG2 can also be used during storage and transport as an extra level of protection guarding the trigger from bump and the accumulation of debris. Durable, form-fitting, comfortable Kydex polymer material Belt hooks fits belts up to 1.5" wide Fully ambidextrous Adjustable for ride height and cant The Raven Concealment VanGuard 2 holster for Glock 42 / 43 is as close as you can get to tucking the pistol in your waistband - but far safer and more secure! Note from Brownells Gun Techs: We DO NOT advise re-holstering the pistol while the VG2 is inside your clothing. You should remove the VG2 from your waistband, insert the gun into it, then reinstall the entire gun/holster unit in your waistband.

VANGUARD 2 HOLSTER FOR GLOCK® 42 AND 43

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Raven Concealment VanGuard 2 Holster for your Glock 42 or 43. This guide provides essential safety instructions to ensure the safe and effective use of your holster. Please read this guide thoroughly before use to understand the safety precautions and proper handling of your product.

General Safety Guidelines

- Ensure that the holster is used only with Glock 42 and 43 models.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Keep the holster and firearm away from children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage.
- Do not use the holster if it is damaged or malfunctioning.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not attempt to reholster the firearm while the holster is inside your clothing.
- Always remove the VanGuard 2 holster from your waistband before inserting or removing the firearm.
- Ensure that the trigger guard is fully covered by the holster before carrying.
- Maintain a firm grip on the firearm when drawing it from the holster.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction when drawing or holstering.
- Avoid carrying the firearm in locations where it may be exposed to moisture or extreme temperatures.

Instructions for Installation and Usage

1. Installation:

- Attach the VanGuard 2 holster to your belt using the belt hooks. Ensure that the hooks fit belts up to 1.5 inches wide.
- Adjust the holster to your preferred ride height and cant for comfort and accessibility.

2. Usage:

- To draw the firearm, ensure you have a stable grip on the holster and the firearm.
- Remove the holster from your waistband before inserting the firearm.
- Insert the firearm into the holster, ensuring that the trigger guard is properly covered.
- Once secured, reinstall the entire gun/holster unit back into your waistband.

Disposal Instructions

- Dispose of the holster responsibly according to local regulations.
- If the holster is damaged beyond repair, consider recycling it if possible, or contact local waste disposal services for guidance.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your VanGuard 2 holster, please reach out to the

manufacturer or authorized retailers for assistance.

By following these guidelines, you can ensure a safe and effective experience with your Raven Concealment VanGuard 2 Holster. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important instructions.
