Safety Instruction Guide for Real Avid AR15 Tool

Introduction

Thank you for choosing the Real Avid AR15 Tool. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your tool. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the tool is used only for its intended purpose.
- Always inspect the tool before use to ensure it is in good working condition.
- Keep the tool out of reach of children and vulnerable individuals.
- Store the tool in a safe and secure location when not in use.
- Be aware of your surroundings and ensure you have a clear workspace.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the tool.
- Follow all local laws and regulations regarding the use of tools and firearms.

Specific Safety Precautions for Use

- Do not use the tool if you are under the influence of drugs or alcohol.
- Always use the tool with both hands for better control and stability.
- Avoid using excessive force when using the tool. If you encounter resistance, stop and assess the situation.
- Be cautious when using sharp components such as the Tanto knife and scraper to prevent cuts or injuries.
- Ensure that the tool is clean and free of debris before and after use to maintain performance and safety.
- When performing maintenance on firearms, ensure they are unloaded and pointed in a safe direction.
- Do not modify or alter the tool in any way, as this can lead to unsafe conditions.

Instructions for Installation and Usage

- **Installation**:

    1. Remove the tool from its packaging.
    2. Inspect the tool for any visible damage or defects.
    3. Ensure that all components are securely attached before use.

- **Usage**:

    1. Familiarize yourself with the various components of the tool, including the needlenose pliers, carbide cutter, glassbreaker, cotterpin puller, bolt override tool, and scraper.
    2. To use the scraper for removing carbon, select the appropriate surface and gently scrape away debris.
    3. Use the needlenose pliers for gripping or manipulating small parts.
    4. The carbide cutter can be used for cutting through tough materials; ensure you have a firm grip and are cutting away from your body.
    5. The Tanto knife should be used with caution; always cut away from your body and maintain control of the blade.
    6. After use, clean the tool and store it in the provided MOLLE compatible sheath.

Disposal Instructions

- Dispose of the tool responsibly at an appropriate waste disposal facility.
- Do not dispose of the tool in regular household waste.
- Follow local regulations regarding the disposal of tools and other hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Real Avid AR15 Tool, please contact the manufacturer or authorized distributor in your region.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your Real Avid AR15 Tool. Always prioritize safety and proper maintenance to enhance the longevity and performance of your tool. Thank you for choosing Real Avid.
