

VTAC HYBRID SLINGS - VIKING TACTICS VTAC HYBRID SLING COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Bringing Together the Best AR Sling Qualities

The Viking Tactics VTAC Hybrid Sling is the result of consumer feedback, and the company has taken nods from shooters to incorporate the most well-liked elements from all of its slings and develop one hybrid design. The Viking Tactics VTAC Hybrid Sling features a large padded section that provides enhanced comfort when carrying a firearm for long periods. The sling also features free-running ends that allow for easy, trouble-free adjustment, as well as rubberized pull tabs to facilitate those adjustments. Constructed from Nylon Two-point sling design Available in coyote and black colors The Viking Tactics VTAC Hybrid Sling also incorporates tri-glides constructed from acetal resin in order to promote durability.

Safety Instruction Guide for VTAC Hybrid Sling

Introduction

Thank you for choosing the Viking Tactics VTAC Hybrid Sling. This guide provides essential safety information and instructions to ensure the proper and safe use of your sling. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the VTAC Hybrid Sling by following these guidelines:
 - Always inspect the sling before each use for any signs of wear or damage.
 - Do not exceed the weight limit of the sling. Ensure that the firearm and any attached accessories are securely fastened.
 - Use the sling only for its intended purpose—carrying firearms.
 - Keep the product out of reach of children and vulnerable individuals.
 - If you notice any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- To ensure safe operation, please observe the following precautions:
 - Always use the sling in a controlled environment.
 - Avoid using the sling in wet or slippery conditions that may affect grip.
 - Ensure that the sling is adjusted properly to prevent it from slipping during use.
 - When adjusting the sling, use the rubberized pull tabs carefully to avoid pinching fingers.
 - Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the VTAC Hybrid Sling:

1. Installation:

- Attach the sling to the designated mounting points on your firearm.
- Ensure that the triglides are securely fastened and that there is no excess slack.

2. Adjustment:

- To adjust the length of the sling, pull on the rubberized pull tabs to loosen or tighten the sling as needed.
- Make sure the sling is comfortable and allows for easy movement.

3. Usage:

- When carrying your firearm, ensure that the sling is positioned securely over your shoulder.
- Maintain a firm grip on your firearm at all times.
- Regularly check the adjustment of the sling during use to ensure it remains secure.

Disposal Instructions

- When disposing of the VTAC Hybrid Sling, please follow these guidelines:
 - If the sling is damaged or no longer usable, dispose of it in accordance with local waste

management regulations.

- Consider recycling materials when possible, especially if the sling is made from nylon or other recyclable materials.

Contact Information for Further Support

- For safety inquiries or additional support, please refer to the manufacturer's contact information provided on the packaging or the official website.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Viking Tactics VTAC Hybrid Sling. Always prioritize safety and responsible handling of firearms. Thank you for your attention to these important safety measures.
