Target Grips for a Non-Slip Hold on Your SW22

The Tandemkross hiveGrip is a textured, contoured target grip for the Smith & Wesson® SW22® Victory™ pistol that gives you an improved hold on the gun for more consistent, accurate shooting. The hiveGrip is designed specifically to meet the needs of competition shooters and is molded from a durable, flexible, vibration-absorbing synthetic material. The hiveGrip has aggressive, honeycomb-pattern texturing on the surface and finger grooves that work together to give you a secure purchase for excellent control of your SW22 Victory, even if your hands are sweaty or wet or you're wearing gloves. Drop-in replacement for factory grips You even recycle your SW22's factory grip screws Easy to install and remove for cleaning of your pistol Leaves pistol backstrap exposed Synthetic rubber over hard polymer side panels for a secure installation Tandemkross gave the hiveGrip ergonomically shaped finger grooves that insure consistent hand placement for better control and more accurate shooting. The slim, low-profile hiveGrip ensures an excellent fit for even for shooters with small hands.

Safety Instruction Guide for S&W SW22 VICTORY "HIVEGRIP" TANDEMKROSS

Introduction

Congratulations on your purchase of the Tandemkross hiveGrip for the Smith & Wesson® SW22® Victory™ pistol. This guide provides essential safety instructions, installation guidelines, and contact information for further support. Please read this manual carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location away from children and unauthorized users.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when handling firearms.
- Regularly inspect your firearm and accessories for any signs of damage or wear before use.
- Familiarize yourself with local laws and regulations regarding firearm use and modifications.

Specific Safety Precautions for Use

- The hiveGrip is designed to improve grip and control; however, it does not alter the fundamental safety features of your firearm.
- Ensure that your hands are clean and dry when handling the hiveGrip to prevent slippage.
- Avoid using the hiveGrip with excessively worn or damaged factory grips.
- Do not modify or alter the hiveGrip in any way, as this may compromise safety and performance.
- If you experience any discomfort while using the hiveGrip, discontinue use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Removing the Factory Grips:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Use a compatible screwdriver to remove the factory grip screws.
- Carefully detach the factory grips from the firearm. Set aside the screws for later use.

2. Installing the hiveGrip:

- Align the hiveGrip with the grip frame of the SW22 Victory.
- Ensure that the synthetic rubber over hard polymer side panels fit snugly against the frame.
- Reuse the factory grip screws to secure the hiveGrip in place.
- Tighten the screws until they are snug, but do not overtighten.

3. Testing the Fit:

- After installation, ensure that the hiveGrip is securely attached and does not move.
- Test the grip by holding the firearm and ensuring that it feels comfortable and secure in your hand.
- If the grip feels loose or unstable, recheck the screw tightness.

4. Cleaning and Maintenance:

- Regularly clean the hiveGrip with a mild soap solution and a soft cloth.
- Avoid using harsh chemicals or solvents that may damage the synthetic material.
- Periodically inspect the grip for wear and tear, especially after extensive use.

Disposal Instructions

- Dispose of the hiveGrip responsibly in accordance with local regulations.
- If the hiveGrip is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the hiveGrip in regular household waste.

Contact Information for Further Support

For safety inquiries or product support, please refer to the manufacturer's website or customer service resources. Ensure that you have your product details and any relevant information ready for a quicker response.

By following these safety guidelines and instructions, you can enjoy the enhanced grip and control provided by the Tandemkross hiveGrip while ensuring your safety and that of others. Always prioritize safety when handling firearms and related accessories.
