

S&W M&P SHIELD THREADED BARREL - SILENCERCO S&W M&P SHIELD THREADED BARREL SS 1/2"X28

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

What s Better Than a Shield? A Suppressor-Ready Shield!

The SilencerCo S&W M&P Shield threaded replacement barrel sets you up to install a sound suppressor on your pistol for quiet practice and home defense use. Machined from stainless steel, these barrels are cut to factory dimensions for a neat, drop-in fit to your M&P. Fits M&P Shield chambered in 9mm 1-10" RH rifling 1/2"-28 muzzle threads accept most popular silencers and muzzle devices. Machined from blast/wear/corrosion-resistant 416R stainless steel. The SilencerCo S&W M&P Shield threaded replacement barrel is ready to stand up to thousands of rounds down the bore - and no need for hearing protection (with suppressor installed and subsonic ammunition).

Safety Instruction Guide for S&W M&P Shield Threaded Barrel

Introduction

Thank you for choosing the SilencerCo S&W M&P Shield threaded replacement barrel. This guide provides important safety information and instructions to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only as intended.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for signs of wear or damage before each use.
- Familiarize yourself with local laws and regulations regarding the use of sound suppressors and threaded barrels.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to firearm malfunctions.
 - Using incompatible silencers or muzzle devices can cause dangerous conditions.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before installing or removing the barrel.
 - Use only compatible silencers and muzzle devices that are rated for use with your barrel.
 - Do not exceed the recommended ammunition specifications, particularly when using subsonic ammunition.
- **Agespecific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the original barrel from the S&W M&P Shield by following the manufacturer's instructions.
- Carefully insert the SilencerCo threaded barrel into the firearm, aligning it with the slide.
- Ensure the barrel is fully seated before securing it in place.
- Tighten any necessary components according to the manufacturer's specifications.

2. Usage:

- Always check that the barrel is securely installed before firing.
- Use appropriate subsonic ammunition to minimize noise when using a suppressor.
- Regularly clean and maintain the barrel to ensure optimal performance and safety.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the SilencerCo S&W M&P Shield threaded barrel responsibly.
