

# AR-15 BROWNELLS 9MM BOLT CARRIER GROUP - BROWNELLS BRN AR-15 9MM BOLT CARRIER GROUP BLACK NITRIDE

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

## A Purpose-Made Bolt for Your Pistol-Caliber Carbine

The Brownells 9mm AR-15 Bolt Carrier Group is specifically designed for use in pistol-caliber carbines, which are a growing trend in the AR-15 world. This bolt-carrier group allows AR builders to custom-make their own 9mm AR. The Brownells 9mm AR-15 Bolt Carrier Group is constructed entirely from a single piece of steel billet and features a pinned weight that can be taken out for compatibility with different buffer systems. Compatible with both Glock and Colt magazines. Features complete nitride treatment for reduced friction. The Brownells 9mm AR-15 Bolt Carrier Group also features a captured firing pin in order to prevent the possibility of slam fires.

# Safety Instruction Guide for the AR15 Brownells 9mm Bolt Carrier Group

## Introduction

Thank you for choosing the AR15 Brownells 9mm Bolt Carrier Group. This product is designed for use in pistolcaliber carbines and is constructed to ensure safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms and related components with care and respect.
- Keep this product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before performing any installation or maintenance.
- Use only compatible magazines (Glock or Colt) as specified.
- Ensure the bolt carrier group is properly installed before use.
- Be aware of the potential for slam fires; the captured firing pin feature helps mitigate this risk, but caution is still advised.
- Use appropriate protective gear, such as safety glasses and hearing protection, when operating the firearm.
- Do not modify the bolt carrier group or any other firearm components unless you are a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded. Remove the magazine and visually inspect the chamber.
2. **Disassemble the Firearm:** Follow the manufacturer's instructions to disassemble the upper receiver.
3. **Install the Bolt Carrier Group:**
  - Align the bolt carrier group with the upper receiver.
  - Slide the bolt carrier group into the receiver until it is fully seated.
  - Ensure that the pinned weight is properly positioned for your buffer system.
4. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble the upper receiver and attach it to the lower receiver.

### Usage Instructions

1. **Loading the Firearm:** Use only Glock or Colt magazines to load ammunition.
2. **Safety Check:** Before firing, ensure that the firearm is in a safe condition and that the safety is engaged.
3. **Firing:** Disengage the safety and fire according to standard operating procedures for your firearm.
4. **PostFiring:** After use, ensure the firearm is unloaded and clean the bolt carrier group as needed.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.

- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the contact information provided by the manufacturer or retailer. Ensure you have the product details available for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and usage of the AR15 Brownells 9mm Bolt Carrier Group.
