# Safety Instruction Guide for Aero Precision AR15 Upper Receiver with No Auto Sear Cut

## Introduction

Thank you for choosing the Aero Precision AR15 Upper Receiver with No Auto Sear Cut. This product is designed to meet the needs of firearm enthusiasts while adhering to safety regulations. Please read this guide carefully to ensure safe and proper use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure that the safety mechanism is engaged when not in use.
- Store your firearm and components securely, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using your firearm.
- Be aware of your surroundings and ensure that you are in a safe environment before firing.
- Regularly inspect your firearm and components for any signs of wear or damage.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper handling may lead to accidental discharge.
- Modifications to the firearm may compromise safety.
- Use only compatible components to avoid malfunctions.

- **Avoiding Hazards:**

- Always follow the manufacturer's instructions for assembly and usage.
- Do not use the upper receiver with an auto sear.
- Ensure that all components are correctly installed before use.
- Never attempt to disassemble or modify the upper receiver unless you are a qualified gunsmith.

- **AgeSpecific Warnings:**

- This product is intended for adult use only. Ensure that minors are supervised when handling firearms.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the lower receiver is compatible with the Aero Precision AR15 Upper Receiver.
2. Align the upper receiver with the lower receiver, ensuring that the takedown pin holes are properly aligned.
3. Insert the takedown pins securely to connect the upper and lower receivers.
4. Check that all components, including the ejectionport cover and forward assist, are functioning correctly.

- **Usage:**

1. Before loading, ensure that the firearm is pointed in a safe direction.

2. Load the magazine with appropriate 5.56 NATO cartridges.
3. Insert the magazine into the magazine well.
4. Pull back the charging handle to chamber a round.
5. Engage the safety mechanism until ready to fire.
6. Always keep your finger off the trigger until you are ready to shoot.

## **Disposal Instructions**

- Dispose of the Aero Precision AR15 Upper Receiver in accordance with local regulations regarding firearm components.
- Ensure that all parts are rendered inoperable before disposal.
- Do not dispose of any firearm components in regular household waste.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the Aero Precision AR15 Upper Receiver with No Auto Sear Cut, please contact the manufacturer or authorized dealer. Ensure that you have your product details ready for efficient assistance.

Thank you for prioritizing safety when using the Aero Precision AR15 Upper Receiver. By following these guidelines, you can ensure a safer experience while enjoying your firearm.
