

TRITIUM FRONT SIGHT FOR GLOCK® - AMERIGLO 0.165"X0.125" GREEN W/WHITE OUTLINE SIGHT FOR GLOCK®

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Low-Profile Combat Sights In Plain Black Or With Tritium Dots

The AmeriGlo Tritium Front Sight has been expressly designed for your favorite Glock and is a fixed, low-profile combat sight providing drop-in replacement for your factory sights. This sight features streamlined contours with rounded corners to help prevent snags and hang-ups. The AmeriGlo Tritium Front Sight offers a precision-machined steel sight body that sits low in the slide to resist catching on clothing during the draw, yet will stand up to the abuse of hard operational and competition use. This sight has been engineered to help you acquire the sights and get on target quickly under stress. And there is nothing to turn on, as the ambient light gets lower, the Tritium dot starts glowing.

TRITIUM FRONT SIGHT FOR GLOCK® AMERIGLO SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the AmeriGlo Tritium Front Sight for your Glock. This guide provides essential safety instructions and usage information to ensure safe and effective use of your new sight. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle firearms and accessories responsibly and with care.
- Keep the sight and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the sight.
- Do not attempt to modify the sight or use it in a manner not specified by the manufacturer.
- Be aware that tritium is a radioactive material; however, it is safely contained within the sight. Do not attempt to disassemble the sight.
- If the sight is damaged and the tritium dot is exposed, avoid contact with the material and follow local regulations for disposal of radioactive materials.

Instructions for Installation and Usage

Installation

1. Ensure that your Glock is unloaded and pointed in a safe direction.
2. Remove the factory front sight using a suitable tool (e.g., sight pusher or punch).
3. Clean the sight mounting area on the slide to ensure a secure fit.
4. Align the AmeriGlo Tritium Front Sight with the mounting area.
5. Use a sight pusher or appropriate tool to install the sight firmly in place.
6. Ensure the sight is properly aligned with your rear sight for optimal accuracy.

Usage

- The AmeriGlo Tritium Front Sight is designed for quick target acquisition under low light conditions.
- No activation is needed; the tritium dot will glow in low light, providing visibility.
- Practice regularly to familiarize yourself with the sight and improve your shooting accuracy.

Disposal Instructions

- Dispose of the sight responsibly in accordance with local regulations for radioactive materials if it becomes damaged or is no longer in use.
- Do not throw the sight in regular trash. Contact local waste management authorities for guidance on proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's website or contact their customer service department.

Thank you for prioritizing safety while using the AmeriGlo Tritium Front Sight for your Glock. Your responsible use contributes to a safer environment for everyone.
