

TRITIUM FRONT SIGHT FOR GLOCK® - AMERIGLO 0.300"X0.125" GREEN W/WHITE OUTLINE SIGHT FOR GLOCK®

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

Low-Profile Combat Sights In Plain Black Or With Tritium Dots

The AmeriGlo Tritium Front Sight has been expressly designed for your favorite Glock and is a fixed, low-profile combat sight providing drop-in replacement for your factory sights. This sight features streamlined contours with rounded corners to help prevent snags and hang-ups. The AmeriGlo Tritium Front Sight offers a precision-machined steel sight body that sits low in the slide to resist catching on clothing during the draw, yet will stand up to the abuse of hard operational and competition use. This sight has been engineered to help you acquire the sights and get on target quickly under stress. And there is nothing to turn on, as the ambient light gets lower, the Tritium dot starts glowing.

Safety Instruction Guide for TRITIUM FRONT SIGHT FOR GLOCK® AMERIGLO

Introduction

Thank you for purchasing the AmeriGlo Tritium Front Sight designed specifically for Glock® firearms. This guide provides essential safety instructions to ensure the safe use of your new front sight. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and enhance safety.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Use the sight only for its intended purpose as specified in this guide.
- Store the sight in a safe location away from children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The Tritium dot may not be visible in bright daylight; it is designed to assist in lowlight conditions.
- Do not attempt to modify the sight in any way, as this may compromise its integrity and safety.
- Avoid exposing the sight to extreme temperatures or harsh chemicals that could damage the materials.
- Ensure that the sight is securely attached to the firearm before use.
- If you experience any issues with the sight, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a punch tool and a hammer.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Removal of the Old Sight:

- Locate the existing front sight on your Glock®.
- Use the punch tool to gently tap out the old sight from its dovetail slot.

3. Installation of the Tritium Front Sight:

- Align the new AmeriGlo Tritium Front Sight with the dovetail slot.
- Carefully tap the sight into place using the punch tool and hammer, ensuring it is firmly seated.

4. Final Check:

- Inspect the sight to confirm it is securely installed and properly aligned.
- Test the sight in a safe environment to ensure proper functionality.

5. Usage:

- When aiming, focus on the Tritium dot for quick target acquisition, especially in lowlight conditions.
- Practice regularly to become familiar with the sight's alignment and performance.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the sight becomes damaged and is no longer usable, dispose of it in accordance with local regulations for electronic waste or hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your purchase.

By following these guidelines, you can ensure the safe and effective use of your AmeriGlo Tritium Front Sight for Glock®. Thank you for prioritizing safety in your shooting activities.
