Safety Instruction Guide for M5 (.308) Stripped Upper Receiver

Introduction

Thank you for choosing the M5 (.308) Stripped Upper Receiver by Aero Precision. This product is designed for use in building AR .308 rifles. To ensure a safe and effective experience, please read and follow these safety instructions carefully. This guide is compliant with the EU General Product Safety Regulation (GPSR) and aims to provide you with essential information regarding the safe use, installation, and disposal of this product.

General Safety Guidelines

- Ensure that the product is used only by individuals who are knowledgeable about firearms and the assembly of ARstyle rifles.
- Always handle the upper receiver with care to prevent damage and ensure safety.
- Keep the upper receiver out of reach of children and unauthorized persons.
- Regularly inspect the upper receiver for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and their components.

Specific Safety Precautions for Use

- **Firearm Compatibility:** Ensure that the M5 (.308) Stripped Upper Receiver is compatible with your lower receiver and other components. This product is designed to work with standard DPMS pattern .308 components.
- **Installation:** Only use tools that are appropriate for the installation of firearm components. Improper tools can lead to accidents or product damage.
- **Ammunition:** Use only .308 Winchester cartridges that are in good condition and suitable for your firearm.
- **Shooting Environment:** Always shoot in a safe and controlled environment. Be aware of your surroundings and ensure that you have a proper backstop.
- **Protective Gear:** Wear appropriate protective gear, including eye and ear protection, when using firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the workspace is clean and free of distractions.
- Gather all necessary tools and components before beginning the installation.

2. Installation:

- Align the M5 (.308) Stripped Upper Receiver with the lower receiver, ensuring that the takedown pin holes are properly aligned.
- Insert the takedown pin into the holes and secure it according to the manufacturer's instructions.
- Attach the bolt carrier group and charging handle as per the specific assembly guidelines for your firearm.

3. Function Check:

- After installation, perform a function check to ensure that all components are working correctly.
- Cycle the action to confirm that the bolt carrier group operates smoothly.

4. Usage:

- Always follow safe handling practices when using the firearm.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to fire.

Disposal Instructions

- Dispose of the M5 (.308) Stripped Upper Receiver in accordance with local regulations regarding firearm components.
- If the product is damaged or no longer usable, consider contacting a local firearms dealer for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further support regarding the M5 (.308) Stripped Upper Receiver, please refer to the manufacturer's website or contact the designated EUbased contact point.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your M5 (.308) Stripped Upper Receiver. Always prioritize safety and compliance with local laws and regulations when handling firearms. Thank you for your attention to these important guidelines.
