# Safety Instruction Guide for POLY80 FRAME COMPLETION KIT

## Introduction

Thank you for choosing the POLY80 Frame Completion Kit from Lone Wolf Dist. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always handle firearms and firearm components with care and responsibility.
- Ensure that the kit is used only for its intended purpose.
- Keep the kit and all components out of reach of children and unauthorized users.
- Be aware of local laws and regulations regarding firearms and firearm parts.
- Regularly check for updates on product recalls or safety notices.
- Report any unsafe products or incidents to the appropriate authorities.
- If you have questions about safety or usage, seek advice from a qualified professional.

## Specific Safety Precautions for Use

- Before starting the installation, ensure that all parts are present and undamaged.
- Use protective eyewear and gloves during the installation process to avoid injury.
- Ensure that the workspace is clean, dry, and well-lit.
- Do not attempt to modify or alter any components of the kit.
- Always verify that the firearm is unloaded before performing any installation or maintenance.
- Be cautious when handling sharp tools or components that may have sharp edges.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components from the kit.
- Ensure that you have a clean and organized workspace.

### 2. Installation Steps

- Install the Lone Wolf Universal Trigger Housing (LWDUTH) into the Polymer80 Spectre Lower.
- Attach the Lone Wolf Trigger with Trigger Bar, ensuring it is securely fitted.
- Install the LWD 3.5 lb. Connector (LWD342) into the trigger assembly.
- Attach the LWD Extended Slide Lock Lever (LWDESLL) and LWD Extended Slide Stop (LWD7496).
- Insert the LWD Trigger Spring (LWD3506) and secure the LWD Trigger Pin (LWD420).
- Install the LWD Locking Block Pin (LWD4368) and ensure it is properly seated.
- Insert the LWD Mag Catch Spring (LWD280) and attach the LWD Magazine Catch Extended (LWD1981).
- Finally, install the LWD Compact Slide Lock Spring (LWD2317) to complete the assembly.

### 3. Post-Installation Checks

- After installation, ensure that all components are functioning correctly.
- Perform a safety check to confirm that the firearm operates as intended.
- Store the firearm and kit in a secure location when not in use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If any components are damaged or no longer usable, dispose of them safely to prevent injury or environmental harm.
- Do not dispose of electronic or hazardous materials in regular waste. Follow local guidelines for proper disposal.

## Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact your local firearms dealer for support. Always ensure that you are following the most current safety guidelines and regulations.

By following these safety instructions, you can ensure a safe and effective experience with your POLY80 Frame Completion Kit. Thank you for prioritizing safety in your firearm practices.
