Designed to Work in Your Pistol-Caliber Carbine

One of the essential components of an AR-style pistol-caliber carbine is the use of a purpose-built bolt that can accommodate the unique internal setup of these blowback firearms. The Foxtrot Mike Products AR-15 Mike-9 Bolt Carrier Assembly is modeled after similar Colt-style BCGs on the market in order to ensure consistent, reliable function. Each Foxtrot Mike Bolt Carrier Assembly is machined from durable 8620H steel and finished with a salt-bath nitride treatment. The carrier ships with an M67 firing-pin retainer and uses a firing pin machined from 17-4 stainless steel. Includes forward-assist serrations Machined from forged steel Made in the USA Black finish The Foxtrot Mike Products AR-15 Mike-9 Bolt Carrier Assembly is also ramped for use with both mil-spec GI hammers and 9mm pistol-caliber carbine hammers.

Safety Instruction Guide for the Foxtrot Mike Products AR15 Mike9 Bolt Carrier Assembly

Introduction

Thank you for choosing the Foxtrot Mike Products AR15 Mike9 Bolt Carrier Assembly. This product is designed for use in ARstyle pistolcaliber carbines. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that all users are familiar with the operation of firearms and are trained in safe handling practices.
- Always treat every firearm as if it is loaded.
- Store the bolt carrier assembly and all related components securely and out of reach of children and unauthorized users.
- Regularly inspect the bolt carrier assembly for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and ownership of firearms.

Specific Safety Precautions for Use

- Only use the Foxtrot Mike Products AR15 Mike9 Bolt Carrier Assembly with compatible 9mm pistolcaliber carbine platforms.
- Ensure that the firearm is unloaded before installation or maintenance of the bolt carrier assembly.
- Use appropriate personal protective equipment (PPE) such as safety glasses when handling or working with firearms.
- Do not attempt to modify or alter the bolt carrier assembly in any way, as this may compromise its safety and functionality.
- Be aware of your surroundings and ensure that you are in a safe location when using the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing bolt carrier assembly from the firearm if applicable.
- Insert the Foxtrot Mike Products AR15 Mike9 Bolt Carrier Assembly into the upper receiver.
- Ensure that the assembly is seated properly and that all components are aligned.
- Reinstall any retaining pins or components that were removed during the process.

2. Usage:

- Always verify that the firearm is in a safe condition before handling.
- Load ammunition into the firearm following the manufacturer's guidelines.
- Engage the safety mechanism when not in use.
- When ready to fire, ensure that the firearm is pointed in a safe direction and that the area is clear of obstructions and bystanders.
- After use, unload the firearm and clean the bolt carrier assembly according to the manufacturer's instructions.

Disposal Instructions

- Dispose of any damaged or worn components of the bolt carrier assembly in accordance with local regulations.

- Do not dispose of the bolt carrier assembly in regular household waste.
- Contact local authorities or waste management facilities for guidance on proper disposal methods for firearm components.

Contact Information for Further Support

For any questions or concerns regarding the Foxtrot Mike Products AR15 Mike9 Bolt Carrier Assembly, please consult the manufacturer's website or customer support resources.

Thank you for your attention to safety and for choosing Foxtrot Mike Products. Always prioritize safe handling and responsible usage of firearms.
