Kestrel Wind Wrap Safety Instruction Guide

Introduction

Thank you for choosing the Kestrel Wind Wrap from ShadowTech. This guide provides essential safety instructions and information to ensure the safe and effective use of your wind meter accessory. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the Kestrel Wind Wrap is used only for its intended purpose: to mount Kestrel wind meters to rifle slings, MALICE Clips, tripod/bipod legs, or tubular surfaces.
- Regularly inspect the Wind Wrap for any signs of wear, damage, or obstruction before each use.
- Keep the Wind Wrap and the Kestrel wind meter out of reach of children to prevent accidental injury or misuse.
- Report any unsafe conditions or incidents to the appropriate authorities immediately.
- Stay informed about product recalls by checking the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

- Do not use the Wind Wrap in extreme weather conditions that may affect its performance, such as heavy rain or snow.
- Ensure that the Wind Wrap is securely attached before using it in the field to prevent loss of the wind meter.
- Avoid placing the Wind Wrap near any sources of heat or direct sunlight for extended periods, as this may affect its materials.
- Be cautious when handling the wind meter to avoid damaging sensitive components, especially the sensor holes.
- Use the Wind Wrap only with Kestrel 5700 Series wind meters to ensure compatibility and safety.

Instructions for Installation and Usage

1. Installation:

- Identify the mounting location on your rifle sling, MALICE Clip, tripod/bipod leg, or tubular surface.
- Slide the Kestrel Wind Wrap onto the selected mounting surface, ensuring a snug fit.
- Adjust the position of the wind meter to ensure it is easily accessible and secure.
- Confirm that the Wind Wrap is firmly in place before proceeding.

2. Usage:

- Once installed, check that the Kestrel wind meter is correctly positioned and fully operational.
- Ensure that the sensor holes are free from mud and debris to maintain accurate readings.
- Handle the wind meter gently during use to prevent damage from recoil or impacts.
- After use, remove the wind meter from the Wind Wrap and clean any dirt or debris from both the meter and the wrap.

Disposal Instructions

- Dispose of the Kestrel Wind Wrap in accordance with local regulations regarding electronic waste and plastic disposal.
- Do not dispose of the Wind Wrap in regular household waste. Instead, seek out designated recycling facilities or programs.

Contact Information for Further Support

For any questions or concerns regarding the Kestrel Wind Wrap, please refer to the manufacturer's website or contact their support team directly.

Thank you for following these safety instructions. Enjoy your experience with the Kestrel Wind Wrap and ensure safe usage in all your outdoor activities.
