# AR15 5.56MM Safety Selector No Tick Mark

## Safety Instruction Guide

### Introduction

Thank you for purchasing the AR15 5.56MM Safety Selector No Tick Mark from BROWNELLS. This safety selector is designed for safe and reliable operation in your AR15 platform. Please read this safety instruction guide carefully to ensure proper usage and maintenance of the product.

### General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition separately and securely.
- Be aware of your surroundings and ensure that you have a clear line of sight before firing.
- Always wear appropriate eye and ear protection when handling firearms.
- Regularly inspect your firearm and all accessories for wear and damage.
- If you are unsure about the operation of your firearm or accessories, seek assistance from a qualified professional.

### Specific Safety Precautions for Use

- Ensure that the safety selector is in the correct position before handling the firearm.
- Do not attempt to modify or alter the safety selector in any way.
- Always ensure that the firearm is unloaded before installing or removing the safety selector.
- Use only compatible parts and accessories with your AR15 platform.
- Keep the safety selector clean and free from debris to ensure proper function.
- If you notice any unusual resistance or malfunction during operation, cease use immediately and consult a professional.

### Instructions for Installation and Usage

#### Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing safety selector by following the manufacturer's instructions for disassembly.
3. Align the new safety selector with the appropriate slot on the lower receiver.
4. Insert the safety selector into the slot until it clicks into place.
5. Ensure that the safety selector moves freely between the "Safe" and "Fire" positions.

#### Usage

- To engage the safety, rotate the selector to the "Safe" position.
- To disengage the safety, rotate the selector to the "Fire" position.
- Always confirm that the safety selector is in the "Safe" position when not in use.

### Disposal Instructions

- Dispose of the safety selector in accordance with local regulations.
- Do not dispose of the safety selector in regular household waste.
- Consider recycling options for metal components when possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please contact the manufacturer or a qualified professional. Ensure that you have the product details ready for efficient assistance.

## **Conclusion**

By following the safety guidelines and instructions outlined in this guide, you can ensure the safe and effective use of your AR15 5.56MM Safety Selector No Tick Mark. Always prioritize safety and seek professional assistance if you have any doubts or concerns about the operation of your firearm. Thank you for choosing BROWNELLS.
