

# M1 30 CARBINE MAGAZINES - KCI USA M1 30 CARBINE 30RD MAGAZINE BLUED STEEL

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

## Closest Thing to an Original WWII-Spec Mag

Keep an old veteran on the firing line with KCI's 15-round M1 Carbine magazine! It's built with a blued, heat-treated steel body, just like the originals, with a reliable chrome silicon steel spring to support the steel follower and keep the rounds moving into your M1's chamber. This M1 Carbine magazine delivers practical reliability and impressive quality - at a price that's darned hard to beat. Compact, straight wall configuration Brand-new production - not refurbs, not NOS! Removable steel base plate Fits all mil-spec and most civilian M1 Carbines The KCI 15-round magazine is fitted with a bolt-hold-open follower, so you'll get bolt lock-back on that last round. It's a must-have for any M1 Carbine enthusiast. At this price, why settle for one? You can afford a whole bunch and maximize your range time.

# M1 30 Carbine Magazines Safety Instruction Guide

## Introduction

Thank you for choosing the KCI USA M1 30 Carbine 30rd Magazine. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this document carefully to understand the important safety information and proper usage instructions.

## General Safety Guidelines

- Ensure the magazine is used only with compatible firearms, specifically the M1 Carbine.
- Always handle firearms and ammunition with care, following all safety protocols.
- Keep magazines out of reach of children and unauthorized persons.
- Inspect the magazine regularly for signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always verify that the firearm is unloaded before inserting or removing the magazine.
- When loading the magazine, do so in a safe and controlled environment.
- Do not exceed the magazine's capacity; overloading can cause malfunctions.
- Use only approved ammunition types to prevent damage to the magazine and firearm.
- Avoid exposing the magazine to extreme temperatures or moisture, which can affect performance.
- If the magazine does not function as expected, discontinue use and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction.
- Confirm the firearm is unloaded.
- Align the magazine with the magazine well of the M1 Carbine.
- Firmly push the magazine into the magazine well until it clicks into place.

### 2. Loading the Magazine:

- Hold the magazine in one hand and use the other hand to load cartridges.
- Insert cartridges into the magazine, ensuring they are positioned correctly.
- Do not exceed the magazine's capacity of 30 rounds.

### 3. Using the Firearm:

- Once the magazine is loaded, insert it into the firearm as described above.
- Ensure the safety is engaged until you are ready to fire.
- Always follow proper shooting practices and local laws regarding firearm use.

### 4. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Engage the safety.
- Press the magazine release button to remove the magazine from the firearm.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact local waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the KCI USA M1 30 Carbine magazine, please refer to your retailer or manufacturer for assistance.

Thank you for prioritizing safety while using your magazine. Enjoy your shooting experience responsibly!
