SR30 IWS Complete Lower Receiver Safety Instruction Guide

Introduction

Thank you for choosing the Knight's Armament SR30 IWS Complete Lower Receiver. This product is designed to enhance your experience with the .300 AAC Blackout cartridge. To ensure safe and effective use of this product, please read and follow the guidelines outlined in this safety instruction guide.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely, out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when handling or shooting firearms.
- Be aware of your surroundings and ensure a safe environment when using firearms.
- Familiarize yourself with the specific laws and regulations regarding firearm ownership and use in your area.
- Regularly inspect and maintain your firearm to ensure it is in safe working condition.
- If you are unsure about any aspect of firearm safety or usage, seek guidance from a qualified professional.

Specific Safety Precautions for Use

- Ensure that the SR30 IWS Complete Lower Receiver is compatible with your upper receiver and other components before installation.
- Do not attempt to modify or alter the lower receiver in any way that could affect its safety or performance.
- Always use ammunition that is specifically designed for the .300 AAC Blackout cartridge.
- Avoid using damaged or defective ammunition.
- When installing or using the firearm, ensure that all safety mechanisms are engaged and functioning properly.
- Do not engage the trigger unless you are ready to fire and have identified your target.
- Be cautious of the firearm's muzzle and ensure it is not directed at yourself or others when loading or unloading.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is completely unloaded before beginning the installation process.
- Attach the upper receiver to the SR30 IWS Complete Lower Receiver according to the manufacturer's instructions.
- Securely fasten all components, ensuring that there are no loose parts.

2. Usage:

- Before firing, conduct a thorough inspection of the firearm to ensure that it is in proper working condition.
- Load the firearm with .300 AAC Blackout ammunition, following the manufacturer's guidelines.
- When ready to fire, ensure that you are in a safe and controlled environment.
- Use the ambidextrous safety selectors to engage or disengage the safety mechanism as needed.

3. PostUsage:

- After use, unload the firearm completely and clean it according to the manufacturer's recommendations.
- Store the firearm securely in a safe location.

Disposal Instructions

- Dispose of the SR30 IWS Complete Lower Receiver in accordance with local regulations regarding hazardous materials and firearms.
- If the product is damaged or no longer functional, contact local authorities for guidance on proper disposal methods.
- Ensure that any disposed components cannot be reused or accessed by unauthorized individuals.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Knight's Armament SR30 IWS Complete Lower Receiver. Thank you for your attention to safety.
