# AR308 MILSPEC CARBINE BUFFER ASSEMBLY

## Safety Instructions

### Introduction

Thank you for choosing the AR308 MILSPEC CARBINE BUFFER ASSEMBLY from LuthAR. This product is designed to enhance the performance of your AR15 rifle. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

### General Safety Guidelines

- Ensure that all firearms and related products are handled responsibly and stored securely.
- Always treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Inspect the product for any visible damage or defects before use.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms.
- Ensure that the buffer assembly is compatible with your AR15 rifle before installation.
- Do not attempt to modify or alter the buffer assembly in any way.
- Avoid using the buffer assembly with ammunition that exceeds the manufacturer's specifications.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer assembly from the buffer tube by following the manufacturer's guidelines.
- Carefully insert the AR308 MILSPEC CARBINE BUFFER ASSEMBLY into the buffer tube.
- Ensure the assembly is seated properly and secured in place.
- Reassemble any other components that were removed during installation.

#### 2. Usage:

- Once the buffer assembly is installed, conduct a function check to ensure proper operation.
- Use the rifle in a safe environment, following all standard firearm safety practices.
- Monitor the performance of the buffer assembly during use and check for any signs of wear or malfunction.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consult local waste management for appropriate disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the AR308 MILSPEC CARBINE BUFFER ASSEMBLY, please refer to the manufacturer's customer service or support channels. Ensure you have the product details and any relevant information ready to assist in addressing your concerns.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and use of firearm products.
