

# LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER - 300 H&H TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The “World’s Finest Trimmer” lets you trim more cases in less time - and with less effort - using your electric drill as a power source. The adjustable cutter rotates and shortens the case until the shoulder contacts the close-fitting stop that is mounted in a bearing to prevent it from rotating and marring the case. Simply pick up a case and push it against the cutter until the excess brass is removed. Once you have the trimmer set up and get a rhythm going, you can easily maintain a pace of 8-10 cases per minute – a joy to use! Durable aluminum and stainless steel construction, with a high-speed steel cutter for years of reliable service. Units only trim cartridge cases to length. They do not chamfer or deburr the case mouth during trimming. These don't come with a dowel.

## Attributes

- Name: [300 H&H TRIMMER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 100028122
- Mfr. No.: LCG-WFT-300 H&H

# **LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER 300 H&H TRIMMER Safety Instruction Guide**

## **Introduction**

Thank you for choosing the LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER 300 H&H TRIMMER. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the trimmer and keep it for future reference.

## **General Safety Guidelines**

- Ensure that the trimmer is used only for its intended purpose, which is to trim cartridge cases to length.
- Always use the trimmer in a welllit and dry environment to avoid accidents.
- Keep the work area clean and free from clutter to prevent tripping hazards.
- Do not allow children or unauthorized individuals to operate the trimmer.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against metal shavings and debris.
- Regularly inspect the trimmer for any signs of wear or damage before use. Do not use if damaged.
- If you experience any issues during operation, stop using the trimmer immediately and consult the troubleshooting section of this guide.

## **Specific Safety Precautions for Use**

- Only use the trimmer with a compatible electric drill. Ensure the drill is in good working condition.
- Do not exceed the recommended trimming speed of 810 cases per minute to avoid accidents.
- Always ensure that the cutter is securely attached and properly aligned before use.
- Never place your hands near the cutter while the drill is in operation.
- Avoid wearing loose clothing or jewelry that may get caught in the trimmer during operation.
- Do not attempt to trim cases that are already damaged or deformed, as this could cause injury.
- Ensure that the trimmer is unplugged before making any adjustments or cleaning.

## **Instructions for Installation and Usage**

### **1. Setup:**

- Attach the trimmer securely to your electric drill according to the manufacturer's instructions.
- Ensure that the cutter is properly aligned and tightened to prevent movement during operation.

### **2. Trimming Process:**

- Select a cartridge case suitable for trimming.
- Hold the case firmly and press it against the cutter.
- Maintain steady pressure until the excess brass is removed and the shoulder contacts the stop.
- Release the pressure and remove the trimmed case.
- Repeat the process for additional cases, maintaining a rhythm for efficiency.

### **3. PostUse Care:**

- After use, unplug the drill and clean the trimmer to remove any brass shavings.
- Store the trimmer in a safe, dry location out of reach of children and pets.

## **Disposal Instructions**

- Dispose of any metal shavings and debris in accordance with local waste disposal regulations.
- If the trimmer reaches the end of its life, please recycle it in accordance with local electronic waste disposal guidelines. Do not dispose of it in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please contact the designated EU contact point or your local authorities.

## **Conclusion**

By following these safety instructions, you will ensure a safe and effective experience with the LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER 300 H&H TRIMMER. Thank you for your attention to safety and enjoy using your trimmer!
