

# LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER - LITTLE CROW GUNWORKS. 308 NORMA MAGNUM TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The “World’s Finest Trimmer” lets you trim more cases in less time - and with less effort - using your electric drill as a power source. The adjustable cutter rotates and shortens the case until the shoulder contacts the close-fitting stop that is mounted in a bearing to prevent it from rotating and marring the case. Simply pick up a case and push it against the cutter until the excess brass is removed. Once you have the trimmer set up and get a rhythm going, you can easily maintain a pace of 8-10 cases per minute - a joy to use! Durable aluminum and stainless steel construction, with a high-speed steel cutter for years of reliable service. Units only trim cartridge cases to length. They do not chamfer or deburr the case mouth during trimming. These don't come with a dowel.

# LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the LITTLE CROW GUNWORKS World's Finest Trimmer. This guide provides essential safety instructions and usage information to ensure a safe and effective experience when using this product. Please read this manual carefully before operating the trimmer.

## General Safety Guidelines

- Ensure the trimmer is used only for its intended purpose, which is to trim cartridge cases.
- Always use the trimmer with an electric drill as the power source.
- Keep the work area clean and welllit to avoid accidents.
- Store the trimmer in a dry place and out of reach of children.
- Regularly inspect the trimmer for any signs of wear or damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves while operating the trimmer.
- Be aware of your surroundings and ensure that no one is in close proximity while you are using the trimmer.

## Specific Safety Precautions for Use

- Do not attempt to use the trimmer if you are tired or under the influence of drugs or alcohol.
- Ensure that the cutter is securely attached to the trimmer before use.
- Avoid placing your hands near the cutter while it is in operation.
- Do not exceed the recommended pace of 810 cases per minute to maintain safety.
- If the trimmer becomes jammed, turn off the drill and disconnect it before attempting to clear the jam.
- Never modify the trimmer or use it for any purpose other than trimming cartridge cases.

## Instructions for Installation and Usage

### 1. Setup:

- Attach the trimmer securely to your electric drill.
- Ensure that the cutter is properly aligned and tightened.

### 2. Trimming Process:

- Pick up a cartridge case and position it against the cutter.
- Apply gentle pressure until the excess brass is removed.
- Maintain a steady rhythm to achieve optimal trimming speed.

### 3. PostUse Care:

- After use, clean the trimmer to remove any brass shavings or debris.
- Inspect the cutter for any damage or dullness and replace as necessary.
- Store the trimmer in a safe, dry location.

## Disposal Instructions

- Dispose of any unused or damaged parts of the trimmer in accordance with local regulations.
- Do not dispose of the trimmer in regular household waste. Check for recycling options for metal and plastic components.
