

LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER - LITTLE CROW GUNWORKS. 338-284 WINCHESTER TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The "World's Finest Trimmer" lets you trim more cases in less time - and with less effort - using your electric drill as a power source. The adjustable cutter rotates and shortens the case until the shoulder contacts the close-fitting stop that is mounted in a bearing to prevent it from rotating and marring the case. Simply pick up a case and push it against the cutter until the excess brass is removed. Once you have the trimmer set up and get a rhythm going, you can easily maintain a pace of 8-10 cases per minute - a joy to use! Durable aluminum and stainless steel construction, with a high-speed steel cutter for years of reliable service. Units only trim cartridge cases to length. They do not chamfer or deburr the case mouth during trimming. These don't come with a dowel.

Attributes

- Name: [LITTLE CROW GUNWORKS. 338-284 WINCHESTER TRIMMER](#)
- Manufacturer: [LITTLE CROW GUNWORKS.](#)
- Product no.: 100028133

Safety Instruction Guide for LITTLE CROW GUNWORKS World's Finest Trimmer

Introduction

Thank you for choosing the LITTLE CROW GUNWORKS World's Finest Trimmer. This guide provides important safety instructions to ensure safe and effective use of the trimmer. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that the trimmer is used in accordance with the manufacturer's instructions.
- Keep the trimmer out of reach of children and vulnerable individuals.
- Inspect the trimmer before each use to ensure it is in good working condition.
- Use the trimmer only for its intended purpose: trimming cartridge cases to length.
- If you notice any damage or malfunction, stop using the trimmer immediately and seek assistance.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves to protect against debris.
- Ensure that your electric drill is compatible with the trimmer and in good working condition.
- Do not attempt to modify the trimmer or use it with any attachments not provided by the manufacturer.
- Always keep hands and other body parts clear of the cutter while in operation.
- Avoid wearing loose clothing or accessories that could become entangled in the trimmer.
- Do not operate the trimmer in wet or damp conditions to prevent electrical hazards.
- Ensure that the work area is welllit and free from clutter to avoid accidents.

Instructions for Installation and Usage

1. Setup:

- Attach the trimmer securely to your electric drill, following the manufacturer's instructions.
- Ensure that the cutter is properly aligned and tightened to prevent it from loosening during use.

2. Trimming Process:

- Select a cartridge case and position it against the cutter.
- Apply gentle pressure to push the case against the cutter until the excess brass is removed.
- Maintain a steady rhythm for efficient trimming, aiming for a pace of 810 cases per minute.

3. PostUse:

- Turn off and unplug the electric drill before removing the trimmer.
- Clean the trimmer after use to remove any brass debris and maintain its performance.

Disposal Instructions

- Dispose of the trimmer in accordance with local regulations.
- Do not dispose of the trimmer in regular household waste.
- If the trimmer is damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support

For safety inquiries or support regarding the LITTLE CROW GUNWORKS World's Finest Trimmer, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience while using the LITTLE CROW GUNWORKS World's Finest Trimmer. Thank you for prioritizing safety!
