

LITTLE CROW GUNWORKS WORLDS FINEST TRIMMER - LITTLE CROW GUNWORKS. 338 LAPUA ACKLEY IMPROVED TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The "World's Finest Trimmer" lets you trim more cases in less time - and with less effort - using your electric drill as a power source. The adjustable cutter rotates and shortens the case until the shoulder contacts the close-fitting stop that is mounted in a bearing to prevent it from rotating and marring the case. Simply pick up a case and push it against the cutter until the excess brass is removed. Once you have the trimmer set up and get a rhythm going, you can easily maintain a pace of 8-10 cases per minute - a joy to use! Durable aluminum and stainless steel construction, with a high-speed steel cutter for years of reliable service. Units only trim cartridge cases to length. They do not chamfer or deburr the case mouth during trimming. These don't come with a dowel.

Safety Instruction Guide for LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER

Introduction

Thank you for choosing the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER. This guide provides essential safety instructions to ensure safe and effective use of the trimmer. Please read this document carefully before use to familiarize yourself with the product and its safety features.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- If purchasing online, ensure that the platform meets safety requirements, similar to physical stores.
- Extra safeguards are in place for vulnerable groups, including children.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.
- All products must have an EU-based contact for safety inquiries.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the trimmer.
- Keep hands and other body parts clear of the cutter during operation to prevent injury.
- Ensure that the trimmer is securely attached to a stable surface before use.
- Do not attempt to modify or disassemble the trimmer, as this may lead to unsafe conditions.
- Use only the recommended electric drill as a power source; do not use incompatible devices.
- Keep the work area clean and free of debris to avoid accidents.
- Store the trimmer in a dry place when not in use to prevent damage and ensure longevity.

Instructions for Installation and Usage

1. Setup

- Choose a stable work surface that can accommodate the trimmer and your electric drill.
- Attach the trimmer securely to the work surface using appropriate clamps or fasteners.
- Ensure that the adjustable cutter is properly aligned and functioning before use.

2. Using the Trimmer

- Insert the electric drill into the trimmer's power source slot.
- Adjust the cutter to the desired length for trimming the cartridge cases.
- Pick up a cartridge case and push it against the cutter until the excess brass is removed.
- Maintain a steady rhythm to trim 810 cases per minute for optimal efficiency.
- After trimming, inspect the cases to ensure they meet your specifications.

3. PostUse Care

- Unplug the electric drill from the trimmer after use.
- Clean the trimmer and work area to remove any brass shavings or debris.
- Store the trimmer in a safe location, away from children and pets.

Disposal Instructions

- Dispose of any brass shavings and debris in accordance with local waste disposal regulations.
- If the trimmer becomes damaged beyond repair, contact local waste management for proper disposal methods.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER, please refer to the product packaging for contact details of the manufacturer or authorized distributor in your region. They will provide you with the necessary support and information.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your LITTLE CROW GUNWORKS WORLD'S FINEST TRIMMER!
