

# 375 CALIBER (0.375") 300GR DGX BULLETS - DGX BONDED .375 CALIBER (0.375") 300GR COPPER CLAD 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The 375 Caliber (0.375") 300 grain DGX® Bonded (Dangerous Game™ eXpanding) bullet features a copper-clad steel jacket bonded to a lead core to provide limited, controlled expansion with deep penetration and high weight retention. Bonding the jacket to the core prevents separation from high-energy impact on tough material like bone, ensuring the bullet stays together for deep expansion. DGX® Bonded bullets are built to the same profile as the corresponding DGS® (Dangerous Game™ Solid) bullets but expand to 1½ to 2 times their bullet diameter.

## Attributes

- Name: [DGX BONDED .375 CALIBER \(0.375"\) 300GR COPPER CLAD 50/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 100028444
- Mfr. No.: 37214
- Ballistic Coefficient (G1): 0.275
- Bullet Style: DGX
- Caliber: 375 Caliber
- Diameter (in): 0.375
- Grain: 300
- Sectional Density: 0.305
- Quantity: 50
- Delivery weight: 0.998kg
- Shipping height: 51mm
- Shipping width: 89mm
- Shipping length: 102mm
- UPC: 090255372144

# Safety Instruction Guide for 375 Caliber (0.375") 300GR DGX Bullets

## Introduction

Thank you for choosing the 375 Caliber (0.375") 300GR DGX® Bonded bullets. This guide provides essential safety information to ensure the safe use and handling of this product. Please read the entire guide carefully before use.

## General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Always use appropriate eye and ear protection when handling or firing ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never use bullets that appear damaged or deformed.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Risk of accidental discharge if not handled properly.
  - Risk of injury from ricochet if fired inappropriately.
  - Risk of lead exposure if bullets are not handled and disposed of correctly.
- **Avoiding Hazards:**
  - Always ensure the firearm is pointed in a safe direction when loading or unloading.
  - Do not load ammunition in a firearm until you are ready to shoot.
  - Use only in firearms that are specifically designed to handle .375 caliber ammunition.
  - Do not attempt to modify or reload these bullets.
- **Age Specific Warnings:**
  - This product is intended for use by individuals who are 18 years or older.
  - Ensure that minors are supervised by a responsible adult when in the vicinity of ammunition.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that your firearm is clean and free of obstructions before loading.
  - Load the bullets according to the manufacturer's instructions for your specific firearm model.
- **Usage:**
  - Always follow the manufacturer's guidelines for your firearm when using these bullets.
  - Maintain a firm grip on the firearm and ensure proper stance while shooting.
  - After firing, ensure the firearm is unloaded before handling or cleaning.

## **Disposal Instructions**

- Follow local regulations for the disposal of ammunition and components.
- Do not dispose of bullets in regular household waste.
- If you have expired or unwanted ammunition, contact local authorities or a licensed disposal service for safe disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please reach out to the designated contact point provided by your retailer or manufacturer.

By adhering to these guidelines, you can ensure a safer experience while using the 375 Caliber (0.375") 300GR DGX® Bonded bullets. Always prioritize safety and responsible handling of ammunition.
